## Second hunting ban hearing set May 4

By Henry Cantin

The Romulus City Council will again hold a public hearing on a proposed No Hunting Ban within the City of Romulus.

The No Hunting Ban has been recommended by the Hunting Area Control Committee of the Michigan Department of Natural Resources, which recently conducted a public hearing in Romulus.

The public hearing, the second involving the problem of hunting and gun fire in the City of Romulus, will be conducted at 8 p.m. on May 4 at the Romulus Senior High School, 9650 S. Wayne Rd., Romulus.

The city council approved holding the hearing at its April 13 council session.

At the hearing, the findings of fact and recommendations of the Hunting Area Control Committee of the Michigan Department of Natural Resources (DNS) will be presented.

The Hunting Area Control Committee conducted its first public hearing on Jan. 11 to determine the attitude, degree and need for hunting and shooting control.

Written and oral testimony was presented at the Jan. 11 hearing and the four-member committee investigated the area to be considered.

About 250 persons attended the first public hearing. The panel and state and local officials heard suggested solutions that ranged from a complete ban on hunting to a continuation of the present open hunting policy.

Some of those interested in the problem suggested a ban on the discharge of all firearms, while others said hunting should be restricted to certain undeveloped sections of the city.

On Monday, the DNR committee "in the public

interest" issued its recommendations.

The committee recommended the following: "Hunting with, or the discharge of a firearm is prohibited within the incorporated limits of the City of Romulus, except shotgun and fine shot no larger than No. 2 shot may be used during those seasons open to hunting of wild animals and wild birds."

"This rule shall not apply to the discharge of firearms at target ranges under permit,

as authorized by the local unit of government."

The committee making this recommendation consisted of Louis Gray of the DNR; Hyle J. Carmichael, Romulus mayor; Lt. Ray Johnson of the Michigan State Police; and Inspector John DeVos of the Wayne County Sheriff's Department.

Councilman James C. Stewart opposed the scheduling of the public hearing. Stewart previously reported he is against gun

control laws that are in his opinion violations of his rights under state and federal constitutions.

A newly-adopted city Firearms Ordinance is being subjected to a referendum vote to be held at the August primary election in Romulus.

The new city gun control law was approved by the council on Jan. 27. This ordinance has been the subject of both praise and protest for several months.

Petitions containing more than the required number of

signatures (487 signers, 30 more than required) filed by Stewart have been accepted by the city council, which approved the holding of a referendum vote.

The ordinance prohibits persons from discharging firearms capable of injuring people, property or animals within the city limits.

The ordinance excludes persons firing in self-defense or those shooting with approved and licensed gun skeet or trap clubs or at a licensed rifle range.

**HONORED BY CITY** -- Elmer A. Johnson, one of Romulus' prominent citizens, was the guest at a testimonial dinner held in his honor at the Romulus Progressive Club last Saturday night. Many city and school officials and community leaders attended the dinner, given in recognition of Johnson's many years

of dedicated service to schools and community and especially to the youth. Mayor Hyle J. Carmichael (standing) displays the city's recognition plaque, which was one of the many presentations made to Johnson and his wife, Sally. Johnson will be celebrating his 79th birthday on April 26.

## City, civic leaders fete Elmer Johnson

Officialdom of Romulus, as well as its community leaders and school administrators, gathered together last Saturday night at a testimonial dinner to pay homage to one of the city's

prominent and dedicated citizens.

Honored at the testimonial dinner was Elmer A. Johnson of 37600 Tyler Rd., Romulus. Johnson, who will celebrate his 79th birthday on April 25,

was a founder and the first and only president, until this year, Romulus Progressive Club.

Johnson has been president of this non-profit organization for almost 40 years. He declined the post this year, announcing it was time for someone else to take over the club's reins.

The testimonial dinner was sponsored by a group of Romulus citizens to honor Johnson for his four decades of dedication to the Romulus community, where he has lived most of his life.

Telegrams from U.S. Congressman William D. Ford, State Sen. William Faust and State Rep. Edward E. Mahalak were read at the testimonial dinner, which filled the club's dining facilities.

Presentations in recognition of Johnson's long years of community service as head of the Romulus Progressive Club were made by Mayor Hyle J. Carmichael on behalf of the city, by William A. Jakad, assistant superintendent of Romulus Community Schools, on behalf of the school district, and by William Krueger for the Romulus Fire Department.

The Easter Seal Society of the United States presented a certificate of appreciation. To Johnson's wife, Sally, the Manufacturers National Bank presented a bouquet of roses.

## Theresa Roth makes finals

A fourth Romulus Senior High School student has entered the state finals of the National Teen-Age Pageant, officials announced Monday.

The newest entry is Theresa Roth, 15, daughter of Mr. and Mrs. A. B. Roth of 9243 Essex St., Romulus.

Theresa's entry is sponsored by Mach's Flowers, Inc., Baum Funeral Home, Inc., Romulus Auto Supply and Mayor Hyle J. Carmichael, all of Romulus. The Michigan Teen-Age pageant will be held this Friday and Saturday at the Detroit-Hilton.

Theresa is a member of the high school's Booster Club, Ski Club and Drama Class. She is a member of the high school's Student Council and class council and has danced throughout the state for Vietnam veterans and handicapped children.

She plans to become a dental laboratory technician when she graduates from high school. State finals Teen-Ager

Theresa Roth

pageants are held in 46 of the 50 states at this time, giving recognition to girls in their respective communities.

The winners from each state will compete in the National Finals in Atlanta, Ga., on Aug. 23-26.

The contestants are judged for their scholastic achievements, civic contributions, poise, personality and appearance.

## No more money from general fund

## Procedural change okayed

By HENRY CANTIN

The Romulus City Council has ruled that no more money from the city's general fund will be expended for the operation of the Emergency Employment Act (EEA) program in the City of Romulus.

The council's action was taken Thursday night, when a council-requested report on the EEA program was submitted by City Clerk Leonard J. Folmar.

The city has received an EEA allotment of \$109,000, which is being used to meet a year's salary requirements for new employees hired by the city under the provisions of the EEA program.

The Wayne County Board of Commissioners, the federal agent in the allocation of EEA funds had requested the city to sign an agreement with the commission assuming responsibility for the fund disbursements in the event of misappropriation,

fraud or theft. The city council has approved such an agreement.

The council also directed that an EEA budget be set up and EEA funds deposited in the Wyandotte Savings Bank. The bank had been designated as the depository of EEA funds by the Council.

Leonard reported the city had hired 19 of the city's unemployed. Monies to pay salaries of EEA employees have been drawn from the city's general fund and then charged to the EEA bank account, and later matching withdrawals were made from the EEA fund account.

The EEA program will expire in one year unless federal officials appropriate additional funds, it was stated.

Leonard reported that approximately \$15,416 plus already has been expended under the EEA program. He stated the employees would be laid off in August unless the council ruled otherwise by providing means of continuing their employment or unless federal officials acted.

Councilman James C. Stewart stated he could not see how 19 employees could be paid for the length of the present EEA program on the \$109,000 allotment.

Leonard stated that the EEA program was initiated on Feb. 4, but it did not begin in Romulus until about six weeks later, due to the council's study and review of the EEA program.

Councilman Ellis T. Pennington made a motion that no money be taken from the city's general fund from now on and that all funds now taken from the general fund account be put back.

He was supported by Councilman Brooker R. Edwards, and the council agreed by approving the motion unanimously.

Council President Jimmie Raspberry stated the administration had violated council's policy in the handling of the EEA program funds.

He added that the EEA fund should have been taken from the separate EEA account set up at the Wyandotte Savings Bank and not from the general fund regardless of later replacement of the funds into the general fund.

## Building code okayed

The Romulus City Council has approved unanimously a new all-embracing Building Code Ordinance.

The new ordinance, the result of numerous sessions and long study and review, was adopted by the city council Thursday night.

The 250-page document detailing the rules and regulations on building in the City of Romulus was prepared by Clayton W. Meldrum, director and chief building inspector of the Romulus Building Department.

The new building code covers all phases of building, fire regulations and rules and regulations of the city's Department of Public Works. Rules and regulations for electrical, heating, plumbing or refrigeration are not covered in the new building

code, since they are covered by other city ordinances.

The effective date of the new ordinance is 30 days after its publication. Details of the new ordinance will be published next week in this newspaper.

The city charter, adopted in

May, 1970, required the city council to adopt a building code of its own. The city has been using provisions of the Building Officials Code of America (BOCA) pending council approval of the new building code.

Councilman William M.

Oakley called for the approval of the ordinance at the April 13 meeting of the council. He was supported by Councilman James C. Stewart, who reported he had been working toward adopting a new building code for the city for quite some time.

## Romulus school tax levy officially set

The Romulus Board of Education has officially set the 1972 summer tax levy at 15.25 mills.

The board's action was by a formal resolution approved at the board's recent meeting.

The tax levy, which will be collected by the city treasurer for the school district along with the city's tax levy, amounts to 50 per cent of the current school property tax assessment for 1972, school Supt. Robert L. McConeghy reported.

The remainder of the current 1972 school tax levy of 30.50 mills per \$1,000 of assessed property valuation, will be collected in December when the county taxes are collected.

Recently the Romulus City Council authorized the school district to collect a portion of its tax during the summer tax collection period. The city collects the city tax levy in the summer and the county and school taxes in December.

The new method of collecting part of the school tax in the summer will assure the school district of operating monies at the start of the school year. In the past, operating revenues have been nonexistent at this crucial period, necessitating huge

borrowing of funds to meet payrolls.

"The action by the city in authorizing the changes in collecting the school tax levy will save the school district and the taxpayers of Romulus

thousands of dollars in interest costs on monies borrowed," McConeghy said. The superintendent reported that one total levy for 1972 will be certified in September.

## Petitions seek building ban

Petitions by residents in the area of the Applewood Subdivision in the City of Romulus seeking a ban on further building by Kaufman and Broad builders have been presented to the Romulus City Council.

On a motion made by Councilman William M. Oakley and supported by Councilman Fred Junior Block, the council referred the petitions to City Attorney John E. Young for study and recommendation.

The citizens group contends the Romulus School District cannot handle the student enrollment the new subdivisions will bring to the school district.

Applewood Subdivision is one of several subdivision

developments of Kaufman and Broad which are under way in the city.

The carrier boy who delivers this newspaper to your door will be calling to collect 50 cents for the month of April. This will include payment for the issue of April 26. If your paper was started late in the month, he will collect a smaller amount.

Your carriers will appreciate prompt payment. If you have any suggestions on how he can improve his service to you, he invites your suggestions.

**SQUASHED BUG** - A bystander gazes in disbelief at the wreckage of a car that was struck broadside in Wayne Friday. Police said the car, driven by Donald Allen Vineyard, 17, of 4838 Mildred, was traveling south on Second Street through a green light at about 2 p.m. when it was hit by another car. Police said the other driver, John Lee Parsell,

24, of 5946 Main St., Romulus, was heading west on Michigan avenue and had driven through a red light. No one was hurt in the mishap, and police ticketed Parsell for failing to observe a red light.

## Mahalak introduces bill to control cemetery lot sales

State Reps. Edward Suski (D-Flint) and Edward E. Mahalak (D-Romulus) have introduced legislation to control unscrupulous practices in the sales of cemetery lots. Their bill is a reaction to complaints of fraudulent cemetery lot transactions involving veterans.

The bill would require that upon the sale for a reduced price or a gift of a cemetery lot to a person, with or without

conditions, a deed to the lot must be given to the buyer or recipient at the time of the gift or sale.

Mahalak is the chairman of the House Committee on Veterans' and Military Affairs.

According to Suski and Mahalak, there is evidence that an increasing number of commercial cemeteries in Michigan are using a "free burial for veterans" gimmick to drum up business.

"Hundreds of veterans are being trapped into costly burial arrangements after they accept offers of 'free' grave sites by private cemetery owners," they stated. "A growing number of private cemeteries offer veterans 'privileges to burial plots and services at advantageous rates,' and then overcharge veterans' widows for crypts, markers and grave opening services. Often, cemetery owners represent

themselves as government-backed agents."

A Genesee County Jury recently indicted nine persons on conspiracy and fraud charges in connection with sales to veterans at a Grand Blanc Township Cemetery. The Michigan Cemetery Commission has scheduled hearings on the revocation of the cemetery's license.

In addition to the complaints at Flint, there have been others in the Detroit area. According to Suski and Mahalak, there is evidence that veterans who accept the special offers end up paying as much as \$2,000 for the "free burial." These practices are shameful and disgusting," they stated. "Veterans, their widows and families are being cheated. Our legislation would control this type of fraud. The cemeteries could still offer veterans free grave sites or lots at reduced rates, but when that offer is accepted, the deed to the lot would have to be turned over to the veterans, no matter what the conditions of the transaction."

IN APPRECIATION — Two teachers, currently teaching at the Gordonier Elementary School in Romulus, will retire in June. The School's PTA honored them last Wednesday night in conjunction with the PTA unit celebrating the 75th anniversary of the PTA. The teachers displaying certificate of

service and recognition plaques are (from left) Mrs. Helen Ruark of 36727 Bibbins St., Romulus, and Mrs. Euphama Rogers of 4079 Garfield, Wayne. Mrs. Ruark has taught school for 24 years and Mrs. Rogers for 20 years.

## Two long-time school teachers resign

Two teachers who are retiring from the staff of the Romulus Community School District were honored at a birthday anniversary celebration dinner held at the Gordonier Elementary School, 29814 Smith Rd., Romulus.

The teachers, who will leave the school system this coming June, are Mrs. Helen Ruark, 60, of 36727 Bibbins St., Romulus, and Mrs. Euphama Rogers, 70, of 4079 Garfield St., Wayne.

Mrs. Ruark has taught in the school district for the last

24 years, and for 16 years was at the Gordonier Elementary School. Mrs. Rogers has taught for the last 20 years at Gordonier Elementary School.

More than 200 friends, parents, teachers and school board members attended the affair. Both teachers were presented with Certificates of Service from the Board of Education and recognition plaques from the school's PTA unit.

Gerald Budd, vice president of the Romulus Board of Education and former school teacher, presented the certificates of service to the two teachers. Mrs. May Muggleburg, PTA president, made the presentation of the PTA recognition plaques.

Among the program speakers were School Supt. Robert L. McConeghy, former principal at the Hayti Elementary School in Romulus. Among the first teachers to meet McConeghy when he took over the school's principalship at the Hayti School was Mrs. Ruark.

Other speakers were William E. Jakad, assistant school superintendent, and Dan Murray, principal of Gordonier School.

## City directory drive continues

The Romulus Jaycees have announced their Romulus City Directory campaign is in full swing, with advertisement sales to be completed during the month of April. About 10,000 copies are to be distributed to Romulus area residents with such items as a city map, crime prevention and health tips, city history, churches, social and civic clubs as well as an array of

business information. While the Jaycees presently are contacting businessmen in reference to advertisements, they hope interested parties will notify them in cases where individuals might have been missed.

It is the Jaycees' hope that through a directory such as this, Romulus persons will become more familiar with their city.

Interested persons may call Chuck Cozad at 941-6195 or write to the Romulus Jaycees, P.O. Box 35, Romulus, Mich. 48174.

## Van Buren voters spoke negatively

A \$10 million school building bond issue proposed for the Van Buren School District has been defeated by a wide margin.

The vote was 1,305-2,066 on the bond issue was to finance the construction of classrooms and related facilities.

The decision by the school district's electorate is another indication of the present day citizens' revolt against paying more taxes regardless of necessity.

The bond proposal rejection also is a reflection of the feelings of the local voter on some of the major educational issues confronting the nation's taxpayer today.

Such issues as the possibility of cross-district busing and the possible change in the method of future financing Michigan school districts by the Michigan legislature - elimination of property taxes as a means of aiding schools is under consideration had, in the opinion of some election observers and educators, a major bearing on bringing about the bond proposal's defeat.

The proposed \$120 million expansion of the Willow Run Airport, according to some school officials, was seen as another reason for the proposal's defeat. Some of the electorate supposedly expressed fear to vote for new

school buildings if the airport is going to expand.

The April 12 decision means that Van Buren students will face "double sessions" education and possibly a 12-month school year.

Pre-election statements by school officials regarding the over-crowded conditions in elementary and junior high school levels cited the urgent need for additional classrooms.

A year ago the voters rejected a \$2.5 million bond issue that would have given the school district a start on its construction of new classrooms. Last week's defeat prolongs the situation.

School officials estimate new school buildings will be delayed until 1976. By then, there will be 5,500 elementary school children using facilities designed to serve 4,100.

Double shift education in Van Buren school next school year also will mean the elimination of the lunch hour as well as some music and art classes and the addition of new teachers.

As previously stated, the present and future education of children and continuance of quality education requires vote approval. Without it, school authorities are left to their best with what is available.

## Utility bills inaction difficult to fathom

It is difficult to fathom the delay in Lansing on two bills which ultimately would achieve a near-perfect joining of the state's utilities and the little guy who pays the gas and light and telephone bills.

The wonder is that it hasn't been done before.

One bill would, simply stated, impose a 10-month deadline on the time for the Michigan Public Service Commission to decide a utility rate case. If the deadline passed without a decision, the utility could collect its requested rate increase under bond - and subject to refund - until the MPSC acted on the original petition.

The other would force the utilities to pay for the costs of state regulation, \$1,350,000 now, but subject to increase as the demands of the utilities for speedier and higher quality performance grow.

The fact is that the state's four major utilities - Michigan Bell Telephone Co., Michigan Consolidated Gas Co., Detroit Edison Co., and Consumers Power Co. - must spend \$6 billion to expand services in the next five years. That's double their present investment.

There has been a "regulatory lag" in Michigan for decades. Utilities have had to wait for up to 25 months for a rate decision and the facts on which it is based are obsolete when it comes, forcing management to plan for the future on the basis of outdated information.

It's hard for most rate payers to feel sorrow at the hand-wringing in the executive suite, true; but there is much more at stake.

Michigan utilities must compete in the financial marketplace for money to keep the lights burning and the furnaces operating in their service areas. Delay and confusion over rate income sends investors to greener pastures.

Question: Why was I charged an extra \$2 when I renewed my driver license? F.L.T., Newaygo

Answer: It seems your license had been expired more than 90 days when you finally found the time to get it renewed. Therefore, under a new law that went into effect last September, you had to pay a penalty fee of \$2. We might mention that had you been stopped by a police officer after your license had expired, you would have had to pay another fine for "driving without a valid operator's license" and the Department of State would have added two points to your driving record.

Question: My high school

son's driver education teacher told the class to speed up on entrance ramps to freeways and blend in with existing traffic. Isn't this dangerous? T.O.K. Adrian

Answer: Teacher's right. These ramps were designed to allow motorists time to observe traffic and accelerate accordingly to make the integration maneuver safely.

Question: My neighbor told me a new law says my 13-year old girl has to have a safety certificate to operate our snowmobile. Where does she get one and how much do they cost? M.E.M., Ionia

Answer: This new regulation, effective January 1, 1973, permits children who are at least 12 but less than 16 years to solo on the snowmobile if they have in their immediate possession a snowmobile safety certificate issued pursuant to appropriate sections of that act. Information on requirements for obtaining them may be obtained by contacting the local sheriff's office or Department of Natural Resources agent. We

understand no charge is anticipated for the required instruction, but there might be a nominal material fee.

## May primary is important

By EDWARD E. MAHALAK State Representative 38th District

In approximately one month, Michigan voters will have an opportunity to cast ballots in the state's first presidential primary election in almost 40 years. It will be an important election. This column, therefore, will be devoted to that election.

The May 16 vote will let Michigan residents indicate their preference among presidential candidates and take a part in determining how their party's votes will be cast at the national presidential conventions. They will also choose precinct delegates and approve or reject two proposed amendments to the state constitution.

Votes for presidential candidates will have an impact. The votes of Michigan

delegates to the national convention will have to be cast in proportion to the popular votes received by the candidates in the primary.

This means that if one of the candidates receives 25 per cent of the votes cast for his party in the primary, 25 per cent of the state's delegation to that party's convention will be committed to him for the first two ballots. After the first two ballots, the delegates would be free to vote for anyone else.

Voters will not be able to vote for candidates in more than one party. Upon entering the polling place, the voter will find columns for the Republican, Democratic and American Independent parties.

There will be a large field of candidates in the democratic

column, including Senators Vance Hartke of Indiana, Hubert Humphrey of Minnesota, Henry Jackson of Washington, George McGovern of South Dakota and Edmund Muskie of Maine, Gov. George Wallace of Alabama and Congresswoman Shirley Chisholm of New York.

The Republican column lists Congressman Paul McCloskey of California and President Richard Nixon. There will be no names listed on the American Independent column.

It is possible that the voter may not wish to support any candidate. In that case, he can vote "uncommitted" or can write in a name. If more than 5 per cent of a party's primary vote is "uncommitted," the party will have to send a

similar percentage of uncommitted delegates to the national convention, free to vote as they choose.

Also on the ballot will be found the names of persons running for precinct delegate. Next to each delegate's name on the ballot will be found the name of the presidential candidate he supports, or else he will be listed as uncommitted. If the voter ballots one party in the presidential preference, he must vote on the same ticket in selecting precinct delegates.

A precinct delegate serves as his party's representative in his own precinct. The precinct delegates elected on May 16 will meet with other delegates about two weeks after the election to choose

delegates to the party's state convention. Delegates to the state convention will in turn select those who will attend the national convention.

Michigan democrats will have 132 votes in their national convention while state republicans will have 48 votes in their convention.

Also on the May 16 ballot will be two proposed constitutional amendments. One would lift the state's constitutional ban on lotteries and give the legislature authority to specify which lotteries are to be legal.

A favorable vote does not automatically make lotteries legal. This would have to be decided by the legislature. The same is true for bingo. It would not automatically be legal.

## What positive action are 'no' voters taking?

To the editor:

The baseball season had not yet started. However, two teams came to bat on April 12. The score was 1,305 for the "yes" team and 2,066 for the "no" team. Strange as it may seem there was no victory - both teams really lost.

You, the majority in the election said "no". Did you say "no" because of busing? because of more taxes? or because of the possibility of airport expansion? or some other reason? What are you doing about your reason for your negative vote? I must assume you have a better solution.

Have you written to your local government officials to let them know what you think about the airport expansion?

Have you written to your representatives in Lansing on the issues of busing and the burden of taxes?

Have you written to your representatives in Lansing on the issues of busing and the burden of taxes?

Have you in fact done anything?

The knowledge that you have done something positive about these issues would at least make the defeat a bit more understandable. If not, I wonder if you would consider writing your representatives and letting them know why you turned down a school bond election. I'll provide the envelope with postage in exchange for a carbon copy of your letter.

To the Van Buren Civic Association: you said "no" in regard to the bond election, but you failed to say "why". Now that you have stated what you're against, it would be nice to know what you are "for" and how you would implement it.

My thanks to all those who worked hard, spent long hours on something they believed was right and had the courage to stick out their necks in endeavor to help all the children in our community.

## Head Start needs involved parents

By LORENA G. BURTON

Federal and State Coordinator

Romulus Community Schools

(Continued from last week)

In order to have an effective Head Start Program, parent involvement is one of the most important areas of the Head Start Center.

Most of this article will be devoted to the parent involvement of the Romulus Head Start Center Program, coordinated by Mrs. Iva Meeks, Head Start coordinator from the Wayne County Intermediate School District, Out Wayne County Head Start Program.

The four major kinds of parent participation in the local Head Start Program are:

1. Participation in the

process of making decisions about the nature and operation of the program.

2. Participation in the classroom as paid employees, volunteers or observers.

3. Activities for parents which they have helped to develop.

4. Working with their children in their own homes, in cooperation with the staff of the center.

Participation in the Process of making decisions about the nature and operation of the program involves these procedures:

1. Become an active

member of the Head Start Center committee.

2. Talk with other parents and staff about the program and ways they can help.

3. Share information about the program and ideas on ways to improve the program with other parents and staff.

4. Keep up with what's happening in the program.

5. Provide support and assistance to their representatives to the Policy Committee or Council or serve as a representative.

The involvement of parents in the Title I - Romulus Head Start Program encourages planning and implementation of the learn approach to the development of the total child. To accomplish this end, the parents have been involved in working with the staff at the center to develop the program proposals, review the budgets, assist in hiring staff, and developing educational programs for parents, related to each component of the Head Start Program.

Romulus Head Start parents are now in the process of developing educational activities in each of these areas. One such activity will be a pot-luck supper for the Staff and parents, so that all parents can become involved in planning and carrying out these activities.

Making a good Head Start Program calls for many people to work together, sharing their talents, knowledge and energy so that the children can receive the greatest benefit. The more knowledge and energy parents and staff can invest in the program, the better the center will be.

## Rezoning in Sumpter to ruin open spaces

To the editor:

In regards to the proposed zoning change in Sumpter Township from single (RIA) family homes to multiple dwellings (R2), as citizens and homeowners of Sumpter Township, the people object to any action for changing to multiple dwellings in our township.

Plans for multiple dwellings are under way for 10 acres located on the south side of Harris Road, between Haggerty and Savage roads. Soon others will follow and our open space and country living will soon be a thing of the past.

Our schools. Our grade school children are being forced to half days with early morning and afternoon shifts. Can we afford to start adding to our overly crowded schools? As homeowners, aren't our taxes high enough?

As a Sumpter Township homeowner, I urge all the homeowners to stand up and fight this rezoning to multiple dwellings, by letting the leaders of our township know how we feel, so that country living won't be a thing of the past for us.

Concerned housewife,  
Mrs. Diane Priebe

Maddex family as his father has been an extension specialist in agricultural engineering at MSU for 22 years.

## Area post offices will join new area mail processing plan

On May 1 the post offices at Belleville, New Boston and Romulus will become part of area mail processing, one of the newest innovations of the U.S. Postal Service.

Postmasters Ray J. O'Neil of Belleville, George Austin of Romulus, and Donald L. England of New Boston, said in a joint statement:

"The program is intended to speed the ultimate delivery of the mail and to gain maximum efficiency through full utilization of central mail processing centers."

The Dearborn Post Office, it was pointed out, is a facility serving 49 associate post offices in Michigan.

Area mail processing is a plan whereby eventually all mail originating at these offices will be consolidated at the sectional central facility (SCF) for complete preparation and processing for outgoing dispatch.

All mail deposited in street letter boxes designated for the deposit of mail for local delivery only, and all mail deposited in a post office receptacle designated for local delivery only will be postmarked by the local post office.

The mail for local delivery will be processed in that office. The outgoing mail with local postmark will be dispatched to the area mail

## White Cane Week proclaimed by mayor

Mayor Royce E. Smith has proclaimed the week of April 23-29 as White Cane Week in Belleville.

This year White Cane Week will be observed by the Belleville Area Lions Club along with more than 500 other Lions Clubs throughout Michigan.

The clubs will team together during this one week which is set aside to acquaint the public with state laws which have been adopted for the protection of the blind.

Local elementary schools, drivers license bureaus and police departments will assist

in this educational effort by distributing leaflets furnished by the Lions of Michigan in cooperation with the local club.

The White Cane calls for thoughtfulness friendly appreciation and a personal responsibility for the safety of the individual carrying it. Thousands of White canes have been furnished free of charge to blind people throughout the state.

It is the aim and plan of the Lions to provide every blind person with a White Cane, the school of blindness, as a measure of protection for him.

## Legislators' tally sheet

Each week, the Belleville Enterprise and Romulus Roman will list a tally of local legislators' voting on major roll call issues in Lansing during the previous week.

The legislators include Sen. William Faust (Democrat-13th District) for the cities of Belleville and Romulus and townships of Huron and Van Buren; Sen. John E. McCauley (Democrat - 11th District) for Sumpter Township, and Rep. Edward E. Mahalak (Democrat - 38th District) for all of the above listed areas.

A synopsis of the measures will be used, followed by their disposition and local legislators' actions.

Second House vote, motion by Rep. James F. Smith, to discharge anti-busing constitutional amendment proposal from committee. Passed, 65-36. Proposal brought to House floor for action after Easter recess April 11. Nay - Mahalak.

House vote on motion to place anti-busing proposal into position for immediate passage. Defeated, 43-59. Action postponed until after recess. Yea - Mahalak.

## Muscular Dystrophy month proclaimed

Mayor Hyle J. Carmichael of Romulus has proclaimed the month of May 15 to June 15 as Muscular Dystrophy Month in the City of Romulus.

"The only hope for defeating this dread disease lies in the extensive medical research

program being conducted now and financed by the contributions made to the dedicated volunteers as they conduct the annual house-to-house campaign known as Dystrophy's March Against Time," the proclamation stated.

## Bank announces exchange of stock

Security Bank and Trust Co., headquartered in Southgate, has announced that the exchange of Security Bank & Trust Co. stock for Southeastern Michigan Holding Co. stock will be completed.

As of April 11, 1972, in excess of 90 per cent of Security Bank and Trust stock had been deposited or committed. In addition, the exchange offer has been extended to May 16, 1972, to assist those shareholders who have not already tendered their shares.

Security originally announced the decision to form the one-bank holding company Sept. 21, 1971. Since the announcement, the bank has received approval from the necessary regulatory authorities to proceed.

Douglas A. Hayes, chairman of the board, and Lowell L. Peacock, president, said "The formation of the holding company will enable us to expand into profitable areas of financial services that are closely related to our present capabilities, but are not now available to banks."

Floor discussion: Refer to tapes.

Motion by Brown, supported by Krajewski, to adjourn the meeting. Motion carried unanimously. Meeting adjourned at 9:55 P.M.

Respectfully submitted

Marie E. Sienko

Deputy Clerk-Sumpter Township

I, Marie E. Sienko, Deputy Clerk of Sumpter Township, do hereby certify that the foregoing is a true copy of the minutes taken at a regular Board Meeting held on April 11, 1972.

Marie E. Sienko-Deputy Clerk Clarence J. Hoffman, Jr.-Clerk

## Security earnings increase

Security Bank and Trust Company, Southgate, reported a 5.6 per cent increase in the bank's net earnings for the first quarter of 1972 compared with the corresponding period of the previous year.

Net earnings for the first quarter increased to \$695,052, or \$1.10 per share compared with \$658,125, or \$1.04 per share for the same period in 1971.

Earnings before securities gains or losses increased to \$635,798, or \$1.01 per share, up 20.2 percent as compared with \$527,886, or \$.84 per share for the same period last year.

Security's total deposits increased 16.7 percent over the corresponding period in 1971, reaching a new high of \$324,169,387. Total loans also increased to a new high of \$223,573,372, up 13.39 per cent.

## CITY OF ROMULUS NOTICE OF PUBLIC HEARING

WHEREAS: The City is in receipt of a petition for the paving of that portion of Harrison Road between Hildebrandt and the south 1/4 section line of Section 13 and Hildebrandt between Harrison and Inkster Roads, signed by the owners of certain abutting land, and

WHEREAS: The City Council conditionally deems it necessary to improve said portion of Harrison Road between Hildebrandt and the south 1/4 section line of Section 13 and Hildebrandt between Harrison and Inkster Roads and the abutting land, by the paving of said portion, pending further consideration thereof at and subsequent to the Public Hearing hereinafter established;

NOW THEREFORE BE IT RESOLVED: That the City Assessor be, and is hereby directed to prepare a list of properties to be affected by said improvement according to the provisions of Section 2 of the City of Romulus Ordinance No. 71-56, and that the City Engineer prepare an estimate of costs thereof pursuant to Section 3 of said ordinance; and,

BE IT FURTHER RESOLVED: That the City Council hereby establishes that a Public Hearing shall be held on April 25, 1972 at 7:00 o'clock p.m. at the City Hall, 11111 Wayne Road, to discuss and hear objections to such proposed improvement, and directs the City Assessor to publish and transmit by mail the notice of such Public Hearing required by Section 4 of said ordinance.

Leonard J. Folmar, Clerk  
City of Romulus

## SUMPTER TOWNSHIP NOTICE OF PUBLIC HEARING

Please take notice that a public hearing will be held by the Sumpter Township Planning Commission on the 8th day of May, 1972, at 7:00 P.M. in the Township Hall, 23483 Sumpter Rd., in the Township of Sumpter, for the purpose of granting any person interested the right to be heard by the Planning Commission on the following amendment to the Township of Sumpter Zoning Ordinance No. 11, as amended, the tentative text and map of which are available for inspection in the office of the Township Clerk at the Township Hall, during regular business hours.

This property, 1.00 acre, more or less, is located on the South side of Willow Road, 516.08 feet West of Martinsville Road.

The description and proposed amendment is: A parcel of land of part of the N.E. 1/4 of Section 27, T. 4 S., R. 8 E., Sumpter Township, Wayne County, Michigan; more particularly described as follows: Beginning at a point on the North line of said Section 27 distant N. 89 degrees 57' 20" W., 516.08 feet from the N.E. corner of said Section 27 and proceeding thence S. 0 degrees 32' 00" E., 264.00 feet; thence N. 89 degrees 57' 20" W., 165.00 feet; thence N. 0 degrees 32' 00" W., 264.00 feet to the said North line; thence S. 89 degrees 57' 20" E., 165.00 feet along the said North line to the point of beginning, containing 1.00 acre, more or less, be rezoned from R1B (Single family residential) district and RCH (Rural Country homes) district to C (Commercial) district, for the purpose of erecting a store (SDM, Groceries and Luncheonette).

Township Clerk  
Clement C. Johnson, Jr.  
Chairman, Planning Commission

## PROCLAMATION

### MUSCULAR DYSTROPHY MONTH MAY 15 through JUNE 15, 1972

WHEREAS Tragedy has been wrought in the homes of many of our citizens through the ravages of a mysterious and dread disease - Muscular Dystrophy, and

WHEREAS Muscular Dystrophy has stricken untold numbers of Americans, a majority of them being children, and has doomed them to a complete crippling and untimely death, and

WHEREAS These victims derive comfort and hope from M.D.A.'s comprehensive program of patient care and research, and

WHEREAS The only hope for defeating this dread disease lies in the extensive medical research program being conducted now and financed by the contributions made to the dedicated volunteers as they conduct the annual house-to-house campaign known as DYSTROPHY'S MARCH AGAINST TIME

NOW THEREFORE I, Hyle J. Carmichael, Mayor of Romulus do hereby proclaim May 15 through June 15, 1972 to be

MUSCULAR DYSTROPHY MONTH

In Romulus and urge each citizen, as he is able, to join with the Muscular Dystrophy Association of America, Inc., in the fight to find the cause and cure of this relentless crippler, hoping all the while that we may not be too late to spare many who are already afflicted.

Given under my hand and seal this 14th day of April A.D., 1972  
hyle J. Carmichael

## CITY OF ROMULUS NOTICE OF PUBLIC HEARING

A public hearing will be held at the Romulus Senior High School, 9650 Wayne Road, Romulus, Michigan on May 9, 1972, at 8:00 p.m. for the purpose of presenting the recommendations and findings concerning the regulation to control hunting and the discharge of firearms in the City of Romulus by the Hunting Area Control Committee.

Under authority of Act 159, Public Acts of 1967, all persons wishing to be heard on this matter are invited to attend.

Leonard J. Folmar, Clerk  
City of Romulus

## Dearborn Symphony presents last concert

The Dearborn Symphony Orchestra will present the last concert of the 10th Anniversary Season on Friday, April 21, at 8:30 p.m.

and on Sunday, April 23, at 3:00 p.m. Both concerts will be conducted by Nathan Gordon and held at the Edsel Ford

High School Auditorium, Rotunda Drive, Dearborn.

The program includes the Brandenburg Concerto No. 5 by Johann Sebastian Bach, featuring Marcy Schweickhardt on piano, Edouard Kesner, violin, and Clement Barone, flute. The Dearborn Choral Art Society under director Ken Kanson, will join the symphony in presenting Beethoven's Symphony No. 9 (choral). Soloists include Grace Pfeifer, soprano, Joan Irwin, alto, Herbert Kraus, tenor, and Russell Smith, bass.

Season tickets will be honored at either concert. Tickets are available at the door or the Little Professor Book Center, Michigan near Howard, W. Dearborn, the Wise Owl Book Shoppe, Ford Road at Beech Daly, Dearborn Heights, Sally's Gift Shop, Westborn, Bank of Dearborn, Village Plaza, W. Dearborn and Schaefer at Michigan, E. Dearborn.

Adult tickets are \$2.50 and student tickets are \$1.00. Senior citizens may order special tickets at \$1.00 by phoning Wilma Clizbe's office in the Dearborn City Hall, LU 4-1200.

## 'War and Peace' to be shown

"War and Peace," the epic Soviet film of Leo Tolstoy's colossal novel, will be shown in the Detroit Institute of Arts auditorium in two parts on successive Fridays - on April 28 and May 5 at 8:30 p.m.

On Saturday, May 6, only the complete six-hour, 15-minute English-dubbed film will be shown beginning at 5 p.m., with a dinner intermission at 8:15 p.m. The film will resume at 9:30 p.m.

Five years in the making, at a cost of \$100 million, the film is understandably the most expensive ever produced. Although conceived in celebration of the Soviet government's 50th anniversary (120,000 members of the Red Army were used as extras), the film is devoid of Communist sentiment as it visualizes Tolstoy's drama of two kinds of war and peace - actual physical battles of the Russians against the invading Napoleon at Austerlitz, Borodino and Moscow, and the peace which followed, as well as the warfare men wage within themselves for the ultimate sense of peace.

Veteran actor Sergei Bondarchuk, who plays the principal role of "Pierre," also produced and directed the award-winning color film with its battle scenes of staggering visual impact and dazzling camera techniques for poetic images of peace.

"War and Peace" is sponsored by the Theatre Arts Department of the Detroit Institute of Arts and University Center for Adult Education. Tickets are on sale at the Art Institute Ticket Office (832-2730) and J. L. Hudson ticket centers. General admission is \$5 for both parts and \$3 for each; students with ID card - \$3 for both; \$2 for each.

**RICKY DELIGHTS CHILDREN**-There's no doubt about it, Ricky the Clown had these children at Roosevelt School in Wayne laughing with glee at his antics. Ricky was touring some of the Wayne-Westland Community Schools as a

preview of the Voorheis Brothers Circus, which will come to town April 29. The three little ladies in the front clapping to Ricky's music are Paulette Jones, 5, Missy Moldovan, 5, and Debby Castilidini, 6.

## Rickey to head Civitan circus

Ricky the Clown and a host of other clowns, acrobats, jugglers, circus performers and musicians will star in the Voorheis Brothers Circus coming to Wayne soon.

The Wayne Civitans are sponsoring two circus performances April 29 at 2 and 7 p.m. at Wayne Memorial High School.

Ricky was in town last week telling jokes and warming up his fans for the big event. All proceeds of the event

will be donated to the Western Wayne County Association for Retarded Children, said Tom Daily, circus chairman.

Advance tickets now on sale for children under 12 are \$1 for the matinee and \$1.50 for the evening show. Adult tickets are on sale for \$2.

Tickets at the door will cost \$1.50 for children and \$3 for adults.

Mail orders are also being accepted in care of Tom Daily, Wayne Bank, 44520 Michigan Ave., Belleville, 48111.

## Westland woman directs

Roxanne LaMuth, 30646 W. Warren Rd., Westland, is assistant director of Wayne State University's Dance Workshop.

She choreographed the Petal Pushers, a commentary on love done to the animated sound of Moog synthesizer, especially for this year's concert.

She is one of the dancers in Solo for Two, a duet inspired by Bartok's "Duo's (44) for Two Violins."

Mrs. LaMuth, who holds a Bachelor of Science degree in dance education from Ohio State University, is completing work on a Master of Arts degree from W.S.U.

She joined Wayne's Dance Department in the fall of 1970 as a graduate assistant and began teaching full time in the fall of 1971 as an instructor of classical ballet and modern dance.

## Another opera program on TV

A new concept in televised opera comes to the Public Broadcasting Service when Joan Sutherland stars in "Who's Afraid of Opera?"

The second of two programs which were designed to make

opera understandable to television audiences - "Joan Sutherland in Who's Afraid of Opera: The Daughter of the Regiment" - will be seen on Channel 56 April 22 at 8 p.m.

In addition to Miss Sutherland, the program will also feature the London Symphony Orchestra and a trio of puppets.

Between segments, excerpted from the opera, Miss Sutherland returns to the puppets to explain the often intricate story line of the opera in English. Thus, the libretto is retained in its original language while the story line is clarified for an audience that may not be familiar with the opera.

On the second program, Miss Sutherland will perform the most memorable passages from Donizetti's "The Daughter of the Regiment," in which she is starring this season at New York's Metropolitan Opera.

Miss Sutherland is Marie, the spoiled darling of the grenadiers, found on a battlefield as an infant and raised by an entire regiment of "fathers." Taken away by a long-lost aunt (who we later learn is actually her mother) from the soldiers and the man she loves, Marie is scheduled to marry a nobleman, until the romantic finish.

**CHA-CHA-CHA**-Tea-for-two and there's Ricky the Clown trying to promote a little romance among dancers Sherri Thorold, 7, and Mike Misener, 7. Ricky was in town reminding children that he'll be starring in the Voorheis Brothers Circus coming to Wayne Memorial High School. The Wayne Civitans are sponsoring the circus April 29.

## Paul Anka at Elmwood

Singing star Paul Anka is appearing at the Elmwood Casino following a highly successful tour of the Far East.

Anka's engagement extends through Saturday, April 29, but he will be absent Tuesday, April 25, to travel to Washington D.C. to be

honored at a music convention.

Although Anka started out as an entertainer appealing mainly to youngsters, he quickly developed into one of the top nightclub acts in the country.

Anka is a writer as well as a singer. He has penned many tunes, among them the very moving "My Way," which was recorded by Frank Sinatra and scores of other vocalists.

The Wally Schaefer Orchestra backs the act and plays for dancing.

## Fund raisers to help station

John Buckstaff, station manager of WDET-FM, has announced the station received \$6,500 in contributions in the three weeks following the announcement that WDET may go off the air in June unless it raises \$65,000.

"We are hopeful that the contributions will continue, because it is the only way we can save WDET," Buckstaff said.

The public radio station's financial plight is due to drastic cutbacks in its 1972-73 allocation from Wayne State University.

Buckstaff said he hopes significant progress toward the \$65,000 goal will be made through two fund raisers being planned by friends of the station.

The first is a 12-hour music marathon featuring classical, jazz and folk ensembles on Friday, April 21, at the Detroit Institute of Arts auditorium from noon to midnight.

Titled "Meet me at the Hop," the marathon will be

aired over WDET and volunteers will take phone pledges at 577-4205 and 577-4147. An art sale in the lobby of the auditorium will be held in conjunction with the marathon.

Tickets to the marathon are \$2 for the general public and \$1 for students and may be purchased at Hudsons, Grinnells, the WSU ticket office, WDET and at the door.

Buckstaff said friends of WDET also are planning a large fund raising party. Tentative plans for the party include a convenient and interesting downtown location, live broadcast over WDET, including appearances by guest celebrities, and an auction of radio memorabilia.

Buckstaff said he is encouraged by the many responses to the station's plea for help.

The station is best known for its classical and jazz programs. Its programming also includes informative programs on current issues and programs.

## Clown festival at Wonderland

A Clown Festival featuring 15 circus clowns, an old-fashioned circus callopie and an opportunity for youngsters to try their hand at being a clown will be held at Wonderland Center, Plymouth at Middlebelt, Saturday, April 22.

The festivities, scheduled to be at noon, will be led off by authentic circus music played by a clown from the circus callopie. Fifteen costumed merchants of mirth will weave their magic merriment throughout the Mall until 4 p.m.

At 2 p.m. a special "Kids' Clown Contest" will be held on

All youngsters to age 15 who have had a yearning to be a circus clown may enter the competition. Judging, by the circus clowns, will be based on costume and make-up application. Trophies will be awarded.

Wobbly noses, balloon animals, humming flowers and a variety of clown props will all be a part of the colorful four-hour program, offered to the public at no charge.

## Our men in service

Airman Vallery N. Reed, son of Mr. and Mrs. C.W. Reed of 32630 Henry Ruff Rd., Romulus, has received his first U.S. Air Force duty assignment after completing basic training at the Air Training Command's Lackland AFB, Tex.

The airman has been assigned to a unit of the U.S. Air Force Security Service at Goodfellow AFB, Tex., for training and duty as a communications analysts specialist.

Airman Reed is a 1971 graduate of St. Martin de Porres High School, Detroit.

VALLERY N. REED

U.S. Air Force Sgt. Jerome E. Pelkey, son of Mrs. Pete Bellich of Rockwood, will help provide communications support for the Apollo 16 lunar-landing mission.

Sgt. Pelkey is a telecommunications systems specialist in the 1958th Communications Squadron at Andersen AFB, Guam, and serves in the squadron's technical control facility.

During the eighth U.S. manned flight to the moon, the 1958th will be part of the global network linking Astronauts Charles M. Duke Jr., John W. Young and Thomas K. Mattingly with the Mission Control Center in Houston.

The Guam-based squadron will furnish high frequency voice and radio teletype communications — as well as navigational aids — to Air Force C-135 Apollo Range Instrumented Aircraft (ARIA) crews flying in the area.

The 1958th transmissions will be incorporated by

sophisticated ARIA systems into a communications interchange to be utilized by the Apollo 16 spacecraft, ground support sites and the Houston facility.

Members of the 1958th will also assure the reliability of communications equipment to be used by Guam rescue control center personnel who will monitor the space flight and who would coordinate recovery of the three astronauts in the Southwest Pacific area should the need arise.

Sgt. Pelkey will augment the U.S. space team as a member of the Air Force Communications Service that provides communications, navigational aids and air traffic control for Air Force operations worldwide.

The sergeant, whose father, Jerome M. Pelkey, resides on King Rd., Romulus, is a 1967 graduate of Monroe Catholic Central High School.

His wife, Jo, is the daughter of Mr. and Mrs. Charles E. Elkins of 2448 W. Jefferson, Trenton.

Staff Sergeant Gregory N. Matlock, son of Mrs. Helen S. Matlock of 30183 Van Horn Rd., New Boston, has been recognized for helping his aerospace defense command squadron earn the U.S. Air Force outstanding unit award.

Sgt. Matlock is an aerospace control and warning technician with Detachment 3 of the 18th Surveillance Squadron, San Vito Air Station, Italy, which received the award for exceptionally meritorious service from July 1970 to July 1971.

The sergeant's unit — an optical satellite tracking facility — was cited for overall performance and professionalism. Personnel were specifically recognized for relocating a three-ton Baker-Nunn satellite tracking camera sensor from Jupiter, Fla., to San Vito.

Sgt. Matlock will wear a distinctive service ribbon as a permanent decoration to mark his affiliation with the unit.

The sergeant attended Oklaosaa-Walton Junior College, Niceville, Fla.

Navy Lt. Commander James L. Hinkle, husband of the former Karen M. Feitel of 11225 Morton-Taylor, Belleville, has received a bachelor of science degree in computer science at the Naval Postgraduate School in Monterey, Calif.

The fully accredited Naval Postgraduate School confers bachelor's, master's, engineer's and doctor's degrees in a variety of scientific, management and engineering fields. It is the only Naval Institution of its kind in the world.

He is a 1959 graduate of Olivet College.

Army Private Mack C. Pinson, 22, son of Mr. and Mrs. Clinton Pinson, 18782 Sumpter, Belleville, recently completed eight weeks of basic training at the U.S. Army Training Center, Armor, Ft. Knox, Ky.

He received instruction in drill and ceremonies, weapons, map reading,

combat tactics, military courtesy, military justice, first aid, and Army history and traditions.

Pvt. Pinson received training with Company A, 11th Battalion, 4th Brigade. He is a graduate of Belleville High School.

Army Pvt. Roy C. Walker, 22, son of Mr. and Mrs. Roban J. Walker, 32471 Annapolis, Wayne, recently was graduated from the clerical school at the U. S. Army Armor Center, Ft. Knox, Ky.

During the course, students receive instruction in typing, filing and how to perform administrative duties in a military office.

Pvt. Walker entered the Army in November 1971.

He is a 1968 graduate of Wayne Memorial High School. His wife, Wendy, lives at 48850 Denton, Belleville.

## Firemen elect officers

Van Buren Township Fire Department 1 has announced the election of officers.

The officers elected at the recent annual meeting of the department are Richard Trevorrow, chief, Wes Elliot, assistant chief, and Bert G. Smith, secretary.

The department's March report of activities disclosed that Fire Department 1 had two car fires, one house fire, and five rubbish and grass fires. The total payroll for the month was \$845.

## Two groups back bus safety week

The administrative staff and the Teamsters Union Local 214 of Bus Drivers of the Huron School District of New Boston Monday wholeheartedly have endorsed National School Bus Safety Week.

The week of April 17-21 has been designated as School Bus Safety Week by Gov. William Milliken.

It is a time for schools to recognize drivers, to review the safety programs operating within school transportation systems, and to re-emphasize the continued and never-ending need for safe operating practices in transporting the students of Michigan.

In commenting on the week's observation of school bus safety, Frank W. Brown, transportation supervisor of the Huron School District, said:

"Safety in school transportation is a team effort. The team includes the mechanic who attempts to provide utmost safety in the operating vehicle, administrators supportive of drivers and interested in students, a dedicated, certified safety-minded driver

**WHITE CANE WEEK** - Mayor Royce E. Smith of Belleville (left) has proclaimed the week of April 23-29 as White Cane Week in the city. The mayor's contribution toward this year's white cane week is received by Neil Terwilliger of the Belleville Area Lions club, who presented the mayor with the miniature white cane pin, the symbol of blindness which is furnished free to every blind person by the Lions Club throughout the state of Michigan.

## Women's society to meet

A general meeting of the Women's Society of Christian Service at the First United Methodist Church of Belleville will be held at 12 noon tomorrow (Thursday) at the church.

A noon potluck birthday luncheon will be held. Members are requested to bring a dish to pass and table service.

Mrs. Harold Cass, hostess, will speak on volunteer work.

## Romulus has new officers

It was election time in the Romulus Adult Softball League and Ivan Kinshella was voted in as the new commissioner of the league.

Taking over the secretary's post is Charlie Wilcox while Norman McClendon is the new treasurer.

The RASL has a field of 14 teams ready to play for this year's championship. Also in that field is Anchor Block, the defending champ which will be carrying the banner of another sponsor this year.

Kinshella is seeking persons who wish to officiate this summer and for further information please contact him at 264-3128.

## Babe Ruth tryouts scheduled

Belleville Babe Ruthers will get a chance to warm up for the season as tryouts have been scheduled for players on Saturday, April 29.

Baseball hopefuls are to report to the Belleville High School diamond at 10 a.m.

If a player can't make it this Saturday, an additional tryout is slated for May 6 at the high school the same time.

## Baseball meeting

There'll be a meeting for baseball umpires who wish to officiate games in the Romulus Youth Baseball Association's league this summer.

The meeting will be held on May 1st at 7:30 p.m. at the Romulus City Hall, located at 1111 South Wayne Rd.

For further information, contact Mrs. Gladys Finch at 941-8618.

## Council okays confab trip

The Romulus City Council has granted permission to the city's finance director, Mrs. Helen Gallien to attend the 66th Annual Conference on Public Finance on May 28 through June 1.

The conference will be held in Denver, Colo.

The expenditure of necessary city funds to attend the conference also was approved.

## Cribs needed

The Helping Hand Thrift Shop Shop, located at 7335 Washington St., Romulus, is in "urgent need" of baby cribs, Mrs. Lois Sweet, co-chairman of shop operations, announced.

She reported there is an immediate need for seven baby cribs for Romulus located families.

Persons who may want to assist are asked to call 326-1140.

## Firemen answer 15 calls

Van Buren Township Fire Department 2, located on Ecorse Road, just west of Belleville Road, reported it had 15 fire runs during the month of March.

The fire runs included six grass and brush fires, two false alarms, one store, two houses, two cars and two abandoned houses.

The volunteer fire department's payroll for the month was \$1,336.

### 2. In Memoriam

IN LOVING memory of my husband, James A. Pearson, who passed away 6 years ago today, April 19, 1966. I often sit and think of him and then, how he died to think he could not say goodbye, before he closed his eyes. No one knows my longing and no one sees me weep. I shed out tears from an aching heart. While others are fast asleep. Sadly missed by his wife Sonia and sons, Wesley & Jim.

WE MISS our son Jerry so terribly bad. Howard Watkins Family, 34966 Richard St., Wayne.

Tomorrow's forecast  
from the Carroll Righter Institute

General tendencies: Morning requires health care, but the afternoon and evening are beautiful for almost anything that you wish to do. Particularly good for big thoughts and deeds. Plans made now can be of real power and importance and most successful - especially in government.

Aries (Mar. 21 to Apr. 19) A day when you can understand what bigwigs explain to you and as a result can become more successful in your own field of endeavor. Put in a good day's work and then enjoy amusements you like in p.m. Congenials are in a fine mood.

Taurus (Apr. 20 to May 20) Plan just how to have more accord with mate, family and show more cooperation than you have in the past. Relenting a little can bring you a world of happiness. Put those fine ideas to work where property is concerned.

Gemini (May 21 to June 21) Ideal day to state your aims with kin, business allies, and come to a fine understanding. This will make the future better and brighter for all concerned. Save some time for that hobby you like later. Relax in p.m.

Moon Children (June 22 to July 21) Thinking big is important today if you really want to become big and have the success you long have dreamed about. Conferring with experts can be most helpful. Learn to budget your money better.

Leo (July 22 to Aug. 21) Go after some personal desire that is vital to your wellbeing now. Dress with style and make the right impression on others. The future depends pretty much on your own vision and wisdom. Think logically.

Virgo (Aug. 22 to Sept. 22) Go after the advice which experts can give you so you can later go ahead with those plans you have in mind. If you follow your hunches, you find they are correct and can be most helpful. Make the evening a happy one with kin.

Libra (Sept. 23 to Oct. 22) Much sociability will pay off well now, so be sure to make new and worthwhile contacts as well. Going after personal aims is mighty important so lose no time. Pick your friends wisely, though.

Scorpio (Oct. 23 to Nov. 21) You are far better able to gain your aims of both a personal and practical nature now, so be sure to apply yourself enthusiastically. A bigwig can be of great help to you; be sure to contact this person. Relax tonight.

Sagittarius (Nov. 22 to Dec. 21) You have new ideas and plans to put in operation now. Start early for fine results. Set aside dull routines. Your intuition is working nicely so follow it and get ahead of the other person.

Capricorn (Dec. 22 to Jan. 20) A new attitude is what you need to solve problematical affairs that have seemed difficult in the past. This will get fine results now. Get insurance matters well handled. Avoid some situation that is not to your liking.

Aquarius (Jan. 21 to Feb. 19) If you are friendly with others, you find you get excellent results with everyone now, particularly with your regular associates. Bring your finest talents before the most prominent persons you know and get their support. Grow.

Pices (Feb. 20 to Mar. 20) Make your environs more attractive and bright and this will lift your spirits for some time to come. Do something about improving your health as well. Stop putting up with some annoying minor ailment for some silly reason. Think.

If your child is born today he or she will be one of those very dynamic young people who can easily get what is desired from others because of the charm and magnetism in the nature, but nonetheless requires both discipline and encouragement if all the great potential is to be realized throughout the lifetime. Work with and for the government is ideal here, regardless of sex, with much success.

"The Stars impel, they do not compel." What you make of your life is largely up to you.

# Trooper blasts pressure to lower requirements

The Michigan State police trooper of the future may well be a man five-feet, six-inches tall, weighing 115 pounds "soaking wet" and who needs a strong pair of glasses to sight along the barrel of his service revolver.

And he won't have to be all that bright either, if educational requirements and testing as known today also are dropped.

"That's the sort of meddling we're seeing now over the standards and qualifications in becoming a trooper," declared Trooper James R. Wood, president of the Michigan State Police Trooper Association (MSPTA) during a recent news conference.

"It's all pretty ridiculous," Wood said, "but this is how Civil Service staffers have been going about trying to lower our standards."

"Can you imagine a woman trooper pulling over a carload

of hoodlums who are drunk or high on grass?" Wood said. "I'd hate to see what shape she's in after they've finished with her."

"Yet civil service has been telling our department that women should be put out on road patrol like the men," Wood said.

Wood blamed agitation to reduce standards on those who seek to increase the head count of men born to minorities on the 1,800 member force.

"Again it's a case where you have bureaucrats and politicians who are detached from the rigors and perils of police work writing standards for those who have to face the dangers."

"I've nothing personal against a short man," Wood continued, "But physically I'm too big to be a jockey so why

would someone want a jockey-sized man trying to do my job."

Wood noted that during the past month civil service staffers have badgered the department over standards, suggesting easing of height requirements as well as eyesight. Also regarding police women that only a maximum age of 30 be set without a minimum and foregoing educational standards.

"Civil service has proposed these changes and it's only because our department has resisted is why they haven't as yet become a rule of hiring," Wood said.

"We can't help but believe it's geared to minority recruitment," Wood added. "The pressures have been mounting to recruit minorities without regard to the individual's qualifications."

"Are they saying there aren't enough good blacks, Mexican Americans or Indians who can become troopers under the very same conditions we did? I can't believe that," Wood said. "We have black officers on our department who came in under the same standards and qualifications as set for us."

"In fact, our association's own executive board voted in February to become involved in recruiting those born to minorities," Wood said. "No one forced us and we felt it was the right thing to do until the Michigan Civil Rights Commission began complaining our standards were too high to bring in the minorities and sought an order to change things."

"We must resist any and all attempts to lower our standards and qualifications just so someone can meet a political commitment," Wood said.

## Jaycee elections slated

The Romulus Jaycee elections for the year 1972-73 are scheduled for Tuesday, April 25.

All officials of the club will be elected at that time, with the present officers term expiring June 1.

Candidates are as follows: for president, Lee Silvey and Mike Pawelak; internal vice-president, Tom Von Glahn and Tom Taylor; treasurer, Don Carollo; secretary, John VanStipdonk; directors, Ron Dick, Julius Szabo, Rich Szente, Joe Varyser and Ray Wood.

## Petition deadline is May 15

Petitions deadline for nominations on the Romulus Board of Education is 4 p.m. Monday, May 15, School Supt. Robert L. McConeghy announced Monday.

The petitions must be filed with the board secretary Davis B. Draper.

The annual school election in the Romulus Community School District will be held on June 12.

The deadline for registering to vote in the school election is 5 p.m. May 12.

Clerks in city and townships are required to keep their offices open on the first Saturday preceding the registration deadline which is not a legal holiday from 8 a.m. until 5 p.m.

The Romulus Board of Education will have two four-year terms up for election.

## Building continues to go up

Building in the City of Romulus continued its upswing during the month of March, Clayton W. Meldrum, director and chief building inspector, announced Monday.

In March the building department issued a total of 99 building permits calling for building construction with an estimated valuation of \$985,509.

Residential building amounted to \$908,043 of the month's total. Building permit fees collected by the city amounted to \$5,487.92.

Two permits for commercial structures were issued by the department.

The construction cost of both structures was reported at \$50,000.

## City accepts installation bid

A bid of \$4,704.99 submitted by Ellis and Ford Co. of Birmingham for copper fittings for water service installations in the City of Romulus has been approved by the Romulus City Council.

The bid was for about 2,000 feet of three-quarter inch copper and related fittings.

The firm's bid, recommended by William Pritula, Department of Public Works director, was the lowest of two bids received by the city.

**NO ACT, JUST POWER** — Romulus' Al Barr flexes his muscles that one day he hopes will help him capture professional wrestling's world title. A pro for the past two years, Barr has become nationally known for his feats in the ring.

### Pro wrestlers, they're not acting

By TOM MOORADIAN  
Daily Eagle Sports Editor

If you think pro wrestlers are "putting on an act" when they're pounding each other around in the ring, then you're wrong.

Just ask Romulus' Al Barr who has been on the "pro tour" for the past two years.

"When I go into the ring I go in there to win," said the 31-year-old solidly built wrestler, who has been in the thick of battle against some of the best known pro wrestlers in the country. "Many people don't agree with some of the tactics I use, but I'm there to win and make money."

"And besides, no one likes a loser — you take home more money as a winner," he said.

The bespectacled 5-foot-10, 245-pound athlete calmly described his experiences against some of his rivals as he sipped coffee at his mother's restaurant, the 3 Ts located in Romulus at Van Born and Middlebelt.

"You're only as good as you yourself are," said Barr. "I'm on the bottom now but I'm shooting for the top. As the saying goes, when you're on the bottom there's no way to go but up."

On top of the wrestling spectrum presently is the violent Dick "The Bruiser", world champ.

"That's who I'm shooting for," announced Barr. "Someday I'm going to have that world title around my waist because I don't think there's no one who deserves it more."

Barr had been wrestling at Cobo Arena but moved over to Olympia Stadium recently. For the past two weeks he's been on Channel 9 TV.

He credits Lou Klien for getting him started in pro wrestling.

"I finished junior high and then joined the Navy," said Barr. "After my duty was over I met Roy Klien while working at Kelsey-Hayes in Romulus. Roy was a heavy press operator and told me about professional wrestling and I got interested."

After getting in shape, which included a lot of weight-lifting and "keeping away from pop, potato chips and junk food," Barr was ready to take on the pros.

In his two years he has met the likes of Bull Curry, Tex McKenzie, Sweet Daddy Siki, Chris, "The Golden Greek" Tolos, "Killer" Cortez, Crusher Verdue and other big names.

"It was the 'Killer' (Cortez) who taught me quite a bit and gave me the confidence to keep on wrestling. I fought him, and afterwards we became close friends."

Fans have the impression that pro wrestlers are "more actor, than athlete" — but Barr quickly dispelled that image.

Pointing to scars on his face and forehead, he said, "if they (the fans) think we're faking it, let them take a look at these." Barr showed scars on his face left by his rivals.

Barr says that the ref can't keep up with everything that goes on in the ring, and "that's why a lot of things can happen."

"Like when I teamed with Frankie Adonis the other day to take on 'The Graduates'. I was caught in a situation where the ref couldn't see 'The Graduates' manager and he came over and hit me across the throat. I lost."

"It's perfectly legal," he said.

Born in southwest Detroit, Barr said he didn't wrestle either in junior high school or the Navy and got into pro wrestling "because of the money."

And there's plenty of dough in the sport, if you survive to collect. Most athletes who try their luck don't last long, but a few do make it to the top, he says.

"Would you believe we have guys out there who are 61-years-old and are still wrestling. I don't want to mention any names — they'd kill me."

"However, on the average, if 10 guys attempted to get into pro wrestling, maybe three would stick it out."

## Tigers fall to Wayne, 7-6

# Belleville opens with Dearborn

With two non-league games under their belts, Belleville and Coach Vitold Kaminski will swing into the Suburban 8 Conference on Friday, playing host to an always-tough Dearborn High.

Dearborn and Edsel Ford were admitted into the conference this season and it will be the first time that the Tigers and Pioneers will meet on a league basis.

"They have a good baseball program over there," said Kaminski whose team lost a 7-6 nonleague to Wayne for their season opener. "But I feel our boys are ready to play ball."

Belleville will tune up for the league confrontation with a game today at Romulus.

Wayne scored five times in the fourth inning with the aid of a pair of homers to erase a 1-0 Belleville lead. The Zebras made it a 7-2 ball game in the top of the sixth before the Tigers roared back to tally

three times in the bottom of the sixth and once in the seventh.

Vern Gowen started the opener and went the first four innings, giving up five hits, five runs, striking out two and walking three to take the loss. He was relieved by Steve Theodore who served up two

hits, but was tagged for two unearned runs.

Belleville got on the scoreboard in the opening inning when Michael Wilkinson worked winning pitcher Glenn Ambrose for a walk. He then proceeded to steal second and was chased home on Jim McCoy's single.

Gowen collected three "goose eggs" before he found himself in trouble. In the top of the fourth, John Patterson got to him for a lead off homer. After walking the next man, Jack Faber then cracked a two-run homer and Kim Herbert singled. Art Mach's infield grounder turned into an error and Herbert scored. Charlie Slamer then emptied the bases with a double.

However, Belleville didn't quit. The Tigers scored one run in the fifth when Mike Kottke was hit by a wild pitch. Wilkinson and McCoy then drew bases on balls to load the bases and Gowen's single scored the run.

The Tigers narrowed the gap in the sixth to 7-5 thanks to Mike Kottke's homer off of Ambrose.

Rick White's single with Theodore aboard in the bottom of the seventh accounted for the Tigers final run.

## 'Lady Luck' slaps Huron with 3 losses

One can't blame Ron Smith if he wonders out loud what he and his boys have to do to win a Huron Conference baseball game this season.

Smith's Chiefs have been thwarted in their initial three attempts, despite out-hitting their rivals.

Unearned runs have been Huron's undoing as in their Friday encounter with undefeated Grosse Ile which was presented four unearned runs in their 5-3 victory over the New Boston High School.

Ron Thompson, who has given up only six hits in 16 innings on the mound, was tagged for the loss. He whiffed five batters, but found himself in trouble after serving up eight walks and hitting two batters.

Huron went ahead 1-0 in the third when, with two away, Art Sarkinen walked and raced to second on a wild pitch. Jamie Hinojosa's single scored the run.

However, Grosse Ile came up with four runs in the top of the fifth, added one more in the sixth to make it a 5-1 ball game before the Chiefs came back with two runs in the sixth.

The Chiefs scored with two away after Dana Kemp

single, stole second and scored when Tim Hinojosa singled. Chuck Pearson, who stepped in as a pinchhitter, fanned but when the catcher dropped the ball and pegged out of the reach of the first baseman, Hinojosa was able to score.

Huron is back in action today. The Chiefs will try to break a 3-game conference losing streak at Tecumseh. They'll be at home on Friday as hosts to Airport.

"Lady Luck" continued to slap Huron's players down last week as the Chiefs suffered a 2-1 conference loss to Carlson.

Carlson scored in the first

inning off of losing pitcher Jamie Hinojosa and, after Huron tied it up at 1-all in the fourth, the winners came back to break the knot with a single run in the fifth.

Hinojosa worked all seven innings and gave up six hits, struck out six and walked one. The junior southpaw didn't falter in his pitching duel with Butch McNair who also served up six hits and fanned five. McNair walked three.

"We just weren't able to get the key hit," said Smith, "and that's what is hurting us."

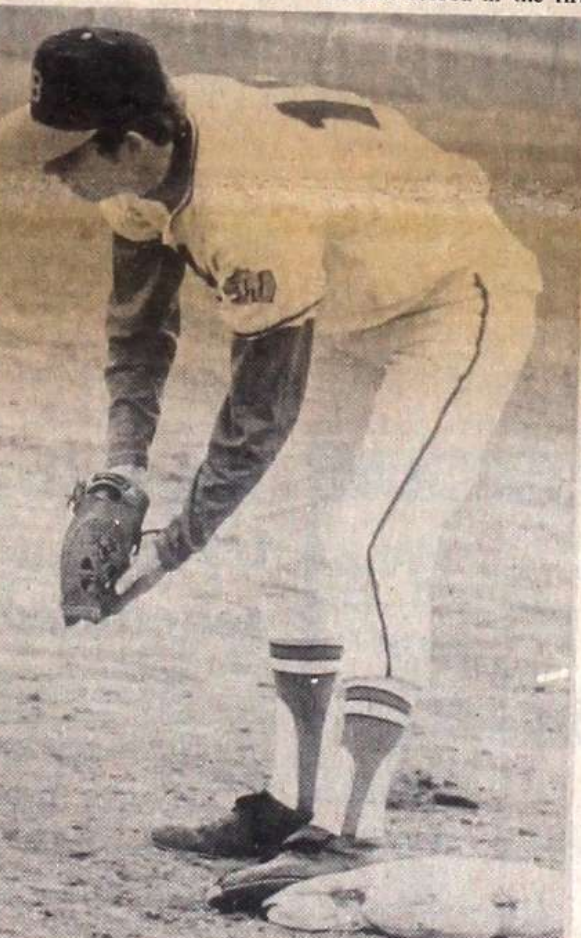

In the fourth, Dana Kemp lead off with a single and stole second. He was chased home when Thompson singled.

A pair of singles and an error led to Carlson's first inning run, while the winning run was scored with two-away in the fifth. A pair of miscues plus a single led to Huron's undoing.

"We have played four ball games," pointed out Smith, "and in all four our pitching has been excellent and we haven't been out-hit. It's the lack of the key hit that is hurting us at present."

**FINDING THE RANGE** - Belleville's Vern Gowen got the opening day pitching assignment and looked good for three innings against Wayne Memorial last Friday. Wayne got to Gowen for five runs in the fourth and went on to win a close 7-6 decision from their nonleague rivals. Belleville is back in action today at Romulus before traveling to Dearborn to open the 1972 Suburban 8 Conference.

**IN THE MITT** - Senior Ed Branan had little difficulty with this put out as the Belleville first baseman touches base in action in opening game action against Wayne Memorial. Belleville dropped their opener and will seek their first win of the 1972 campaign at Romulus today.

## McMann's HR gives Romulus 1st victory

Romulus broke a two-game losing streak at the expense of former Twin Valley Conference rival, River Rouge, 6-2, to present first year coach Bill Cuhran his inaugural victory as head coach of the Eagles.

"I'm very happy about this victory," said Cuhran, "we were moving around out there and looked like the ball club I know we are. We did make some mental errors, but I feel we will eliminate those as the season matures."

Romulus' Sam Ruffolo, who pitched five innings and received help from mate Tom Madej in the last two innings, collected his first victory of the season. The two Romulus hurlers scattered two hits.

A three-run homer by Ken McMann with Virgil Smith

and Bob Eves aboard sparked the Romulus Win. Eves and Smith had singled, then McMann, ripped a roundtripper down the left field line that went all the way to the fence.

The Eagles turned it into a 5-0 ball game when Ruffolo connected for a base hit in the second inning and advanced to second when Larry Hale drew a base on balls. Eves then doubled the base runners home.

McMann's single, stolen base and a grounder that was overthrown to first resulted in Romulus' fifth inning run.

Eves did a superlative job on defense as well as at the plate. He accounted for three of the Eagles seven hits and made two excellent stops. McMann

had two for three, including three runs batted in while Smith and Ruffolo each had a single to help put an end to Romulus' victory drought.

Leaving 16 runners on base, Romulus was left holding a 1-0 loss when it met Lincoln Park, always tough when it comes to diamond warfare.

Eves, who had a no-hitter going for him until the sixth inning, was tagged for the

## Dearborn trackmen overpower Belleville

Riddled with injuries and lacking the depth, Belleville met a powerful Dearborn High track aggregation last Wednesday and discovered to its dismay that their new Suburban 8 Conference rival has plenty of track power.

Dearborn overpowered Belleville 97-26, sweeping 13 out of a possible 15 events.

Belleville was without the services of All-Area distance star, Jon Cross who is sidelined with a leg injury. The 18-year-old senior was to learn earlier this week the extent of his injury.

Dearborn, as well as Edsel

Ford, entered the expanded Suburban 6 to form the Suburban 8 League this year.

Belleville averted a shutout from first places thanks to Bill Combs and the Tigers' mile relay team. Combs captured a first place in the half-mile with his 2:03.4 performance while the mile foursome of Gary Refitt, Lonnie Clark, Arnold McCurdy and Phil Combs came through with the winning time of 3:39.7.

Coach Head's trackmen will meet Plymouth tomorrow after running Trenton last night.

## Romulus track rebuilding

Jesse Meriweather is looking to the future and he has stocked his Romulus track team with plenty of freshmen to make sure that the future isn't as bleak as the past.

"We're rebuilding," said Meriweather. "And I have a lot of good-looking freshmen on this year and the future is bright if these kids stick it out."

The second year head Romulus coach saw his Eagles shot down 100-23 by a strong Dearborn Heights Robichaud team in their 1972 season's opener.

There was a bright spot in the lopsided defeat; the performances of Darryl Gooden in the shot put and pole vault.

Gooden captured two first places as he recorded the best individual shot putting performance in the area when

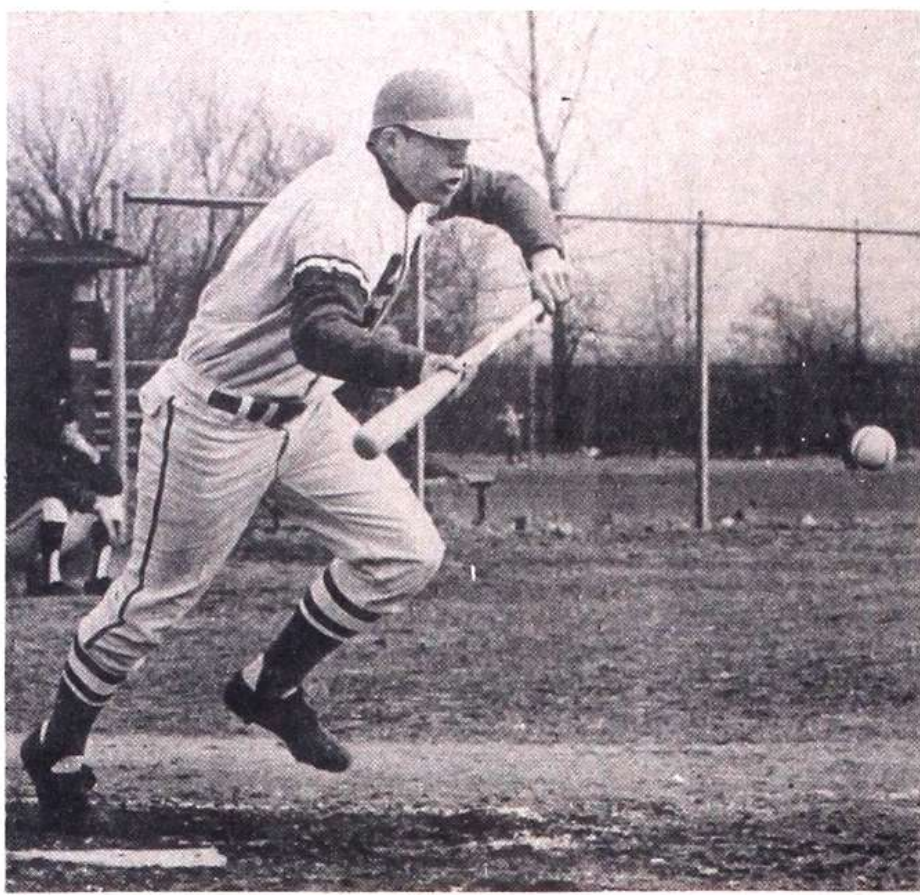

he hurled the put 50 feet, 2 inches. In second place was teammate Marvin Williams who had a 47 feet, 8 inches effort.

Gooden then cleared 10 feet, 6 inches in the pole vault for the only other Romulus win.

Romulus ran up against an equally tough Riverview aggregation later in the week and was turned back 96-33 as the Eagles again received outstanding performances from Gooden who captured both the high jump and the pole vault competition.

Michael Darden leaped 20 feet, 2 inches to take the broad jump while Marvin Williams combined with Gooden for a first and second in the shot put. Williams' winning heave was 47 feet, 5 inches.

## Huron mile relay clinches team win

Huron can thank its mile relay team for pulling out a close 62 1/2 to 60 1/2 league victory over Airport last week.

It was up to the mile foursome of Mark Mittlestet, Dave Durham, Paul Engle and Ed Fakhoury to produce and the Chiefs outran their counter-parts 3:44.3 to 3:57.3 to collect the five points that clinched the victory.

Hurting in the field events, Coach Keith Reed's Chiefs managed only one out of a possible four first places when Bill Grover hurled the shot 38 feet, 8 1/2 inches for a victory in the event.

From thereon, the Chiefs had to battle uphill, catching their league rivals in the running events. They took the 880-yard relay with Durham, Miles, Edge and Engle and also the 880-yard run when Ed Fakhoury was clocked with a 2:08.2.

Roger Miles had one of the best performances in the area for the 100-yard dash. He was clocked in 10.0.

One school record crumbled

as Huron flexed its track muscles over rivals Ida and Flat Rock in a nonleague triangular earlier in the week. Huron's Forrest Coop, a member of the All-Area squad last year, ran a 10:27.2 to establish a new mark for the event at school.

Coach Keith Reed's Chiefs managed to take seven other first places including the 880-relay and the mile relay. Flat Rock's foursome beat the Chiefs to the wire by two-tenths of a second to claim the 440-relay.

Here are the results of the meet: Huron (74 1/2), Ida (47) and Flat Rock (34 1/2).

## Robichaud sets early pace in area track performances

Dearborn Heights Robichaud, which has suffered through a couple of difficult athletic years because of financial problems in the Westwood Community School District that eventually led to the cancellation of several sports, once again has emerged as a state track power.

Coach Bernie Ingle's trackmen dominate not only the inaugural area track and field listing, but hold down top spots in the state as well.

Locally, the Heights athletes are tops in nine of the 15 events, including the best times for the mile and 880-yard relays, in the area listing as compiled by Westland John Glenn Coach Jerry Szukaitis.

The listing will be run up to the day when the Daily Eagles and Associated Newspapers, in cooperation with the Wayne Jaycees sponsor the All-Area Track & Field Meet.

The meet will be held the latter part of May.

In order to get an athlete's performance on the listing, area coaches from Belleville,

Romulus, New Boston Huron, Wayne Memorial, Westland John Glenn, Livonia Franklin and Churchill, Garden City East and West, Cherry Hill, Inkster and Dearborn Heights Robichaud are urged to call Coach Szukaitis at his home after 6 p.m. (728-4630) or at the high school (728-1800).

The listing will appear in The Daily Eagle each Tuesday while in the Associated Newspapers on Wednesdays.

(Continued from Page B-1) setback. He gave up two hits — both in the sixth which led to the decisive run.

"He pitched an outstanding ball game," said Cuhran, "and we played good enough to win this one, but I guess you also need a bit of luck."

Dale Jonlinson scattered four Romulus hits, two to Larry Hale and singles to

Eves and Marty Faught, to chalk up the non-league victory. He struck out seven and walked two.

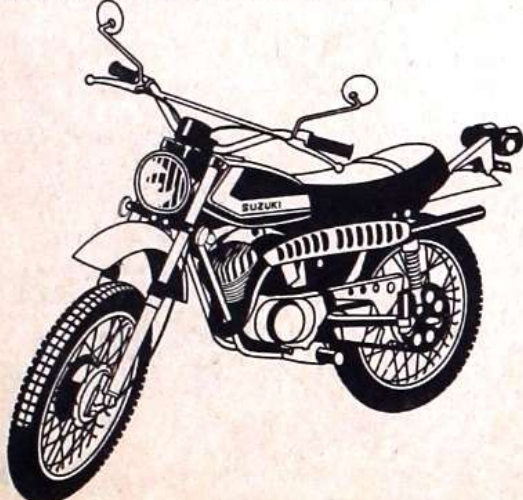

Eves, in going the distance, whiffed two and allowed four men to reach base on balls. "The things haven't fallen into place yet," added Cuhran, "but I feel we have the potential to do a lot of damage before this season's over with."

A four-run Cherry Hill outburst in the top of the eighth inning ended in a 7-3 defeat for Romulus earlier in the week. The Eagles had tied it up in the bottom of the seventh, forcing the game into extra innings.

Romulus will play host to Belleville today at 4 p.m. before moving on to Dearborn Heights where they'll test Robichaud in a nonleague affair.

# Troop visits museum

Members of Boy Scout Troop 231, sponsored by the Trinity Episcopal Church of Belleville, recently visited the Michigan Museum of Natural History and the Planetarium at the University of Michigan in Ann Arbor.

Scoutmaster Cal Light and Lee Hallett, assistant scoutmaster, accompanied the scouts as they viewed examples of Appolo flights and a new display called TAM.

The scouts making the trip to Ann Arbor were Anthony, Steve and Craig Johnson, Edward Wilson, Ray Evins, Steve Simons, John and Ray Jordan, Charles Bullack and Gary Daroci.

The troop is planning a bike-hike, weather permitting, this weekend. The scouts will travel about 5 miles and then camp for the weekend.

The campout also will serve as an opportunity for the scouts to pass outdoor requirements toward their badges.

Boy Scout Troop 231 meets on Wednesday nights from 7 to 9 p.m. at the church, located at 11575 Belleville Rd., Belleville.

Anyone interested in joining the troop is invited to attend the meetings.

# Welding program funded

The Romulus Board of Education has approved a request for funds to be used to implement the industrial welding program in the Vocational Education Department.

On a motion made by Gerald Budd, the board voted to grant between \$5,000 to \$7,000 for the program. Mrs. Diane L. Boger seconded the motion.

The request was presented to the school board at a special meeting held March 27 by Joel R. Carr, Romulus High School principal; Al Sheffield, auto body instructor at the high school; and William Barnes, instructor of industrial arts.

Barnes outlined the proposed industrial welding program with related co-op program detailing necessary equipment, area, installations and supplies.

# Romulus donates to alliance

A contribution of \$50 to the Western Wayne County Drug Alliance has been approved by the Romulus City Council.

Mayor Hyle J. Carmichael recommended the contribution be made to the group.

The Western Wayne County Drug Alliance was recently organized among Western, Wayne County communities as a means of fighting drug abuse and adopting programs of united action to educate and improve the local drug abuse problems.

# EMU students honored

Three area students attending Eastern Michigan University were among those honored at the 24th Honors Convocation of the university recently held in Peace Auditorium.

The students are Rebecca Henning, 418 High St.; Geaney Kozma, 768 E. Huron River Dr.; and Ann O'Beay, 11705 Beckley, all of Belleville.

Gayle Dilks, 20746 Waltz Rd., New Boston; Denise Donnelly, 35001 Michele, and Judith Kurtzhals, 2762 Prescott both of Romulus were the other students.

# Ball auxiliary elects officers

The Romulus Youth Baseball Association Auxiliary announced the election of new officers. They are:

Mrs. Marge McCrory, president; Mrs. Marie DeBusscher, vice president; Mrs. Virginia Bird, secretary; and Mrs. Barbara McMann, treasurer.

**OUTSTANDING WOMEN CANDIDATES** — The Romulus Jaycee Auxiliary sponsored an "Outstanding Women" contest this year. Four of the five candidates who were entered in the contest are (from left) Mrs. Gloria Chandler of 9261 Ozga Rd., Romulus; Mrs. Donnalee Zavitz of 6640 Gloria St., Romulus; Mrs. Marge McCrory of 11061 Elmview St.,

Romulus; and Mrs. Catherine Pritula of 16200 Huron River Dr., Romulus. Mrs. Fran Petre of 7850 Cogswell Rd., Romulus the fifth candidate was not available for the picture. Mrs. Zavitz was declared the winner. She was selected at a fashion show and card party held at the Romulus Civic Center last Thursday night.

# Mrs. Zavitz named winner of 'Outstanding Women' title

A mother of two children with a record of long community service has been named the winner of the "Outstanding Women" contest sponsored by the Romulus Jaycee Auxiliary.

She is Mrs. Donnalee Zavitz of 6640 Gloria St., Romulus. Mrs. Zavitz bested four other nominations vying for the title. The winner was named at a fashion show and card party held at the

Romulus Civic Center, last Thursday evening. More than 75 persons attended the affair. In observance of the event, Mayor Hyle J. Carmichael designated April 13 as "Outstanding Women Day" in the City of Romulus.

Other candidates who were entered in the contest were: Mrs. Gloria Chandler of 9261 Ozga Rd., Romulus; Mrs. Marge McCrory of 11061

Elmview St., Romulus; Mrs. Catherine Pritula of 16200 Huron River Dr., Romulus and Mrs. Fran Petre of 7850 Cogswell Rd., Romulus.

The contest judges were Mrs. Dorothy Clark of Southgate, a secretary; Mrs. Janet Lusk of Lincoln Park, business woman; and Miss Sharon Featherston of Plymouth, a model.

The nomination of Mrs.

Zavitz was submitted by Junior Girl Scouts of Troop 620 of Romulus.

The girls and their leader, Mrs. Ruth Samuels, feel that Mrs. Zavitz's record of community service qualifies her as an outstanding citizen.

A resident since 1965, Mrs. Zavitz has been actively involved in leadership roles in the Romulus Homeowners Association, Democratic Club, Human Relations Commissions, Little League Football and Youth Baseball.

She also coaches a group of cheerleaders and has worked actively in support of school millage and bond issues.

In addition to her roles in Cub Scouts, Girl Scouts, Hayti PTA and Romulus Area PTA Council, Mrs. Zavitz is a student at Wayne County Community College, a paraprofessional at Hayti School and a member of the Section Three Advisory Committee. She also does volunteer work at the Hegira Drug Center in Inkster and has lent assistance to the Romulus Help Center.

She and her husband, Gordon, and their children, Rick and Michelle, live at 6640 Gloria St., Romulus. They are members of the First Methodist Church of Ann Arbor.

"We feel that she deserves the award, not only for the volunteer work she does, but because she is the most kind, thoughtful, understanding and generous person we know. She is willing to help any group or individual who may need her," said Mrs. Samuels.

# Gloria Chandler elected Cory PTA president again

Mrs. Gloria Chandler, incumbent, was elected president of Cory Elementary School PTA at its last meeting of the school year held Monday, April 10.

Completing the slate of officers elected to serve with Mrs. Chandler are: Wayne

Rodd, father vice-president; Mrs. Shirley Linderman, mother vice-president; Mrs. Darlene Toplowski, secretary; Mrs. Diann Zaleski, treasurer, and Mrs. Sharon Popek and Mrs. Lenore Bird, teacher vice-presidents.

A recital by the Continental Dance Studio provided the program portion of the meeting and added a project for next year's PTA activity. The membership approved sponsoring a self-supporting dance instruction school that will be available to all children in the Cory School area, including pre-schoolers over three years of age.

Winding up this year's activities will be the Cory Fair. Theme for this year's event is "At The Fair With Winnie The Pooh," and it is rumored that Pooh Bear has escaped A. A. Milne's classic pages to attend.

Those planning to donate baked goods and handcrafted items are asked to begin bringing things to school on Friday's. Perishable items will be frozen and stored.

# Belleville Kiwanis Club election set

The annual meeting and election of officers of the Belleville Kiwanis Club has been scheduled for May 9.

A five-member nominating committee has been selected to accept nominations. They are Bert G. Smith, Harry Hidenfelter, Gerry Miller, Edward Stoelton and Irving Wallace.

been announced by J.S. Garlic, chairman.

The awards program is called General Motors Award for Excellence in Community Activities. All employees at the three General Motors plant locations are eligible to be nominated except those directly connected with the administration of the program.

From the top 10 finalists, three winners will be selected by community leaders and the first place winner will receive a gold medal, the second place winner a silver medal and the third place winner a bronze medal. The remaining seven finalists will receive honorable mention awards. Community leaders are being informed this week that nominations may be submitted by mailing the nominating form enclosed in available brochures on the awards program in a self-addressed envelope, also enclosed in the brochures. The nomination period will run from April 15 until midnight on May 15.

# General Motors to give awards

Practices are getting hectic, working around schedules for spring band festivals, elementary school concerts and plain old "spring fever." The Theatre Arts Club of Romulus High School is ap- for "Up the Down Staircase," a full-length play dramatized by Christopher Sergel from the book by Bel Kaufman. Production dates are April 28 and 29.

The Tied stage will echo the bureaucracy and anarchy of a large city school. Sylvia Barrett, an idealistic young teacher, adeptly played by Jill Lynn Haislip, leads the satire. Problems surround her in many forms. Barb Givas, playing the love-starved Alice, seeks the attentions of the sophisticated English teacher, played by Mark Lewkowicz. Nancy Smith, as the school nurse, can only serve tea, be it a broken leg or a splinter. Sigmund Freud is the idol of Ella, the school shrink, played by Sharon Lanier.

The play also includes the school tough versus the maximum security guard (to draw a parallel), interpreted by Joe Bledsoe, the student, and Norm Pritt, the assistant administrator. Literary Failure is eminent when the library allows no leniency as 49 cents becomes a symbol of the true lack of human concern which can be brought on from years of bitterness. Cindy Galafaro gets that point across. And finally, success, when Helen (Barb Curley) comes back to school; Ivy, known as Ayanna Nekima of Africa, accepts education, and Joe, Lou and Jose (Joe Bledsoe, Mike Humphrey, and Mike Check) have a rowdy "Hi Teach" at the start of the new term.

# Harrison PTA fair Saturday

The annual school fair of Harrison Elementary School, 14701 Harrison Rd., Romulus, will be held from noon to 4 p.m., Saturday, April 22. The fair is being sponsored by the school's PTA.

Among the highlights at the fair will be demonstrations by a group of cadets from the Civil Air Patrol (CAP). An addition to various games available for old and young alike, there will be a candy show, old fashion bakery, an ice cream parlor and a White Elephant Sale, Mrs. Virginia Braithwaite, PTA president, announced.

## Springtime travels dominate local news

By MRS. JOSEPH SPRING  
OX 9-4021

Mr. and Mrs. Edwin Baker and family of Bellaire, Maryland, spent their Easter vacation with the former's parents, the Chester Bakers, of Liberty St. Other guests at the Baker home during that week were Mr. and Mrs. Roy Edwards from Zanesville, Ohio.

Weekend guests were granddaughters, Nancy and Cheryl Akans, of Saline, and on Sunday a nephew and wife, Mr. and Mrs. Jack Baker, and daughter from Windsor, Ont.

Callers on Tuesday of last week at the Leon Boldt home on Roland St. were friends from Bay City, Mr. and Mrs. Eldon Fogelsonger.

While in Ridgefield, Conn., visiting her daughter and

husband, Mr. and Mrs. M. F. Marshall, Mrs. Muriel Smith and granddaughter, Lynn Akans, received word on Easter Sunday of the sudden death of Mrs. Smith's brother, Russell Benjamin, of Fowlerville.

Funeral services were held on Thursday, April 6, at St. Johns Lutheran Church in that City.

Mr. and Mrs. Ray Sinkiewicz of Liberty St. returned home on Sunday, April 9, after having spent the previous week in Dublin, Calif., with their son, Ray Jr., his wife and family.

After having spent the winter months with her sons, Wallace Saunders of East Detroit, and Clayton of Liberty St., Mrs. Lillian Moore left last Thursday for her home at Charlevoix.

Betty, daughter of Mr. and Mrs. John T. Thompson of High St., has been home from school this past week with the chicken pox.

Mrs. Ted (Eva) Luper is now convalescing at their home on Karr Rd. after having been a patient at Beyer Hospital with pneumonia.

Mrs. Miles Berkey of Toledo, Ohio, mother of Mrs. Kenneth Mericle of Denton Rd. underwent major surgery on Monday, April 10, at the Toledo Medical Center. At present time she is doing nicely.

Leaving the Saturday before Easter Mrs. Velma Kulzer and Mrs. Dorothy Westergard of Liberty St. flew to Phoenix, Arizona, where they spent several days calling on friends in the vicinity. After the latter returned home, Mrs. Kulzer

flew to Los Angeles where she spent some time with Mr. and Mrs. Leeman Laney and family before returning home last Wednesday night.

After three weeks in Beyer Hospital, Mrs. Nina Todd returned to her home on Liberty St. last Wednesday.

Mr. and Mrs. Stuart R. Hope, who have been spending a week with their aunt, Miss Margaret E. Hope, of Main St., left for their home at Racine, Wisconsin, last Sunday. They were here to help Miss Hope celebrate her 96th birthday.

After having spent the winter months at their home at Melbourne, Florida, Mr. and Mrs. Paul Ulbick, have returned to their Fourth St. home.

Mrs. M.F. Marshall and daughter, Kathie left on Monday of last week for their home at Ridgefield, Conn., Mrs. Marshall, having attended funeral services for her uncle, Russell Benjamin, of Fowlerville. She also spent a few days with her mother, Mrs. Muriel Smith.

On Thursday, April 6, a surprise birthday luncheon was held for Mrs. Emmer Sheats at her home in New Boston, planned by her daughters, Mrs. Elmer Kerkes of Milan and Mrs. Russell Wilson of Elwell Rd. Guests, other than her immediate family, were Mrs. Clyde Sheats, Mrs. Frank Kartje and Mrs. Alex Ruzinski of Milan, Mrs. George Kareka of New Boston, and Mrs. Arthur Shephard of Belleville, who made and decorated the birthday cake.

Mr. and Mrs. Harold Clayton of Bedell St. were dinner guests on Saturday evening of last week on friends, Mr. and Mrs. Sherman Mann, of Wayne.

Mrs. Joseph Spring returned home on Saturday, April 8, after accompanying three families from Plymouth on a trip to Cumberland Gap during the Easter vacation. They spent several days camping at Pine Mountain State Park near Pineville, Kentucky.

Mrs. Norman Miller of Second St. was an overnight guest last Thursday of her son-in-law and daughter, Mr. and Mrs. Eugene Mengel of Ann Arbor.

Mr. and Mrs. Clayton Saunders of Liberty St. were last week Sunday dinner guests of Mrs. Kate Block of Dearborn. Mrs. Lillian Moore, who had been spending a few days with Mrs. Bloc, returned home with them.

**AN OUTDOOR PANTSWEATER**--The complete knit wardrobe should include something really great looking for the outdoor life. A handsome shawl-collared pantsweater is casual enough to please the very young who are "with it" and still classic enough to satisfy the sophisticated traditionalist. Raglan sleeves and roomy pockets make it so wearable you can practically live in it. The basically easy stitch of knits and puris is also used in an equally handsome beret and scarf,

all made of 4-ply yarn. Sizes Small, Medium and Large are ALL included in the pattern. **TO ORDER: HAND KNIT 757--PANTSWEATER, BERET AND SCARF**, send \$1.50 in currency, check or money order to Lois Holmes of California, The Daily Eagle, Box 6002, Inglewood, Calif. 90301. Please print your name, address, ZIP code and pattern number plainly. Send 15 cents for EACH pattern for first-class mail and special handling or 25 cents EACH for air-mail.

## Huron High to sponsor book fair

The Huron High School Library Club, New Boston, will sponsor a student book fair April 19 to April 20 in the high school library. Students will be able to browse and purchase books. The book fair will be open from 8 a.m. to 2:30 p.m. Books will be on display in the library during those hours.

The book fair committee invites all students, parents and residents to attend. The fair will not only help spur student interest in reading and building home libraries, but will also contribute to a worthwhile project. The library earns 20 per cent of all sales and profits will be used for new books.

The book fair display will include attractive new books from many publishers in all popular price ranges. The areas of interest covered are:

classics, fiction, biographies, adventure stories, science, nature, crafts, mystery, and reference books. The committee is working with

Educational Reading Service, a professional book fair company, to furnish an individual selection of books for the fair.

## Food costs in perspective

The cost of food represents a declining percentage of the average American's disposable income, falling from 22.2 per cent in 1950 to 16.6 in 1970. During the same period, disposable income per person increased an average of 146 percent. Retail value of beef consumed as percentage of disposable income during the period decreased from 2.7 percent to 2.5 percent. Pork was even more impressive, declining from 2.5 per cent to 1.4 percent.

## Home Arts Club holds election and game night

Twenty-two members of the Home Arts Club and one guest, Beverly Eichold, attended the April 10 meeting at North Junior High School. Mary Anne Hudge, nominating chairman, distributed ballots for the annual election, the results of which will be announced at the spring banquet.

Mildred Baker, program chairman, explained plans for the annual banquet which is to be held Tuesday, May 9, at 6:30 p.m. at the Washtenaw Country Club, Ypsilanti. Members are reminded that the party is not on the regular meeting night due to former

commitments at the Club. Following adjournment the group enjoyed a game night -- volleyball and badminton in the gym under the direction of Florence Brown and cards and table games in the home economics rooms.

Cake, ice cream, mints and chocolates, tea, and coffee were later served by Muriel Wolfe and her committee, Audrey Tabor, Beverly Farrar, and Dana Cooper. The fresh floral arrangement of yellow daisies, white mums, purple statice, and heather was given as a door prize, the lucky winner being Bev Sparrow.

## Girl Scout Troop 419 visits Niagra Falls

Nine members of Girl Scout No. 419, accompanied by four adults, left on Tuesday, April 4, for a trip to Niagara Falls where by they earned their Travelers' Merit Badges.

Making their headquarters at Schrafft's Motor Inn at Niagara Falls, New York, they visited Fort Niagara, Power Vista, Lady of Fatima Shrine, attended a girl guide Company meeting at St. Catharine, Ontario.

While in Canada they visited, Tussaud's Wax Museum, Ripley's "Believe it or Not," the Skyline Tower.

Making the stay a bit more interesting was meeting a troop of boys from London,

England, who were also at the same motel.

In spite of three inches of snow falling on Thursday, they left for home on Friday after a safe trip.

Girls in the group were Kathy Salutz, Carol Bodenmiller, Jane Reinhackel, Cindy Wilkerson, Denise Patterson, Kim Liedel, Sue Hicks, Mary Thompson, and Gayle Simons.

Adults who accompanied them were Mrs. John Thompson, Mrs. Frank Reinhackel, Mrs. Lee Stokes, and Mrs. Ray Van Sickle.

The girls financed the trip by selling Christmas wreaths, holding a rummage and bake sale, and a special donation from B. P. W., the club who sponsors the troop.

MISS HACKER

## Chapel reserved for vows

Mr. and Mrs. John Hacker of 7022 Burnly, Garden City, announce the engagement of their daughter, Marty, to Bruce Cawetka, who resides at 10030 Wayne Road, Romulus.

Both Miss Hacker and her fiancé are students at Eastern Michigan University majoring in education and business, respectively. The bride-elect is an alumna of Garden City High School East.

An employee of the Ford Motor Company, the prospective bridegroom is the son of Mr. and Mrs. Frank Cawetka of Garden Grove, California.

The couple plan to be married July 29 at Martha Mary Chapel in Greenfield Village, Dearborn.

## April Applesauce

Applesauce, one of meat's favorite companions, is in the limelight in the grocery in April. Spice it with cinnamon and serve with ham, pork chops, beef patties, corned beef or lamb chops.

## All Around The Town

...with Lee

### Sisters take first trip 'solo'

MARY AND RITA KOSIN, daughters of Chet and Mary Kosit of Elwell Road, spent six days in the Florida sun recently. Leaving Metro Airport Monday, March 27, on their first air trip alone, they flew to Tampa where they had an hour or so to look over the new airport facility - all highly automated, the automatic shuttle service throughout cutting walking to a minimum.

The girls had a connecting light to Fort Myers where they were met by their grandmother, Mrs. Chester Kosit, at whose home on Seven Lakes they were houseguests and also enjoyed a heated Olympic pool. They got to see the Detroit Tigers-Kansas City Royals game and spent lots of time shopping at the Edison Mall and the world-famous Shell Factory.

Rita and Mary arrived home Saturday evening in time to join their family for their Easter Sunday visit to the Bridgeport home of their maternal grandparents, Mr. and Mrs. Frank Maziarz, and the gathering of the clan.

### Bellevillite is a proud grandmother

"BEING AS HOW I always wanted a daughter and never had one after four boys and a grandson, I wanted to let everyone know about the granddaughter I finally got -" says a very proud grandmother, Mrs. Max (Helen) Caincross of Marlowe Street, Belleville.

The little bundle she's so thrilled about is Elizabeth Anne Tabaka who made her 7 lb.-14 1/2 oz. debut at Munson Medical Center in Traverse City. Following in her brother, Christopher Scott's footsteps, she arrived on the birthday of a relative, on her uncle David's 13th birthday. (Chris picked his great-grandmother's natal day on which to be born. The new arrival's parents, Leonard and Sharon Tabaka of 2210 Birchwood Court, Traverse City, had their new daughter baptized Easter Sunday at Bethlehem Lutheran Church there. Her Godparents were Mr. and Mrs. John Kools.

Taking advantage of the holiday vacation week, the happy grandmother and her sons, Bill and Dave, drove to Traverse City for a short visit and to get their first look at the newest member of the family tree.

### Here 'n there...

#### Romulus and Belleville

THE SENIOR Edward Meyers of Hannan Road, Romulus, are back after a three-months vacation at the Dixie Motel on the new Tampa Highway in Florida. While away they enjoyed a great trip to Disney World and many other jaunts with the motel owners, Mr. and Mrs. Frank Followell. ... A POSTAL CARD from Florida's Silver Springs tells us that Mr. and Mrs. Roy Doane of Liberty Street were recent visitors there along with their sons, Robert, Rex and his wife, and daughter, Peggy, and her family.

### Woman's Page Deadline Thursday--2 P.M.

### Past Matrons hold election of officers

Past Matron Irene Skaggs was hostess for the April 6 meeting of the Past Matrons' Association of Belleville Chapter, O.E.S., held at the Sveden House in Allen Park. Present for the luncheon were 15 members and one guest, the Worthy Matron, Rose Ann Welt.

Chaplain Bedia Woods had the devotions. Election of officers was held with the following results: - president, Pauline Quinley; vice president, Eva Luper; secretary, Ruby Clayton; and treasurer, Frances McAtee. Cards were signed and sent to two members in Beyer Hospital, Nina Todd and Eva Luper.

Past Matron Florence Sugars will be the May hostess at her home in Wayne.

### Push-button shopping

Grocery shopping may soon be as easy as pushing a button. An automatic retailing machine developed in Europe gives consumer choice of 280 items in any size and weight. Machine collects shopper's money, automatically retrieves and delivers items through special receiving door.

MISS ELLER

### Couple plan September 9 altar date

Mr. and Mrs. Phillip E. Eller of 13135 Lake Pointe Pass, Belleville, announce the engagement of their daughter, Linda, to David Torsch of Ypsilanti.

Miss Eller is a 1969 graduate of Belleville High School currently attending Cleary College. She is also employed by the W.T. Grant Company in Ypsilanti.

Her fiancé, son of Mr. and Mrs. Harding Torsch of Lachine, was graduated in 1965 from Alpena High School and is now employed by the Ford Motor Company.

A September 2 wedding date is being planned.

A PRETTY ADDITION - Something to hum about - fresh fruit and fruit flavor gelatin go-together of Party Pear and Pistachio Dessert teaming up with chilled tomato juice, and piping hot chicken ala king spooned over freshly baked corn bread. The molded creation is so versatile it can be used either as a salad or dessert. (Courtesy Jell-O Gelatine.)

### Decoupage is explained at Study Club

Mrs. Olin Wyman played hostess to the Belleville Woman's Study Club Wednesday evening, April 12, with 16 members in attendance. Mrs. Lester Corzine, president, conducted the business portion of the evening during which the annual May banquet and state convention were discussed.

The Michigan State Convention of Federated Women's Clubs will be held April 25, 26, and 27 in Lansing. The May banquet will take place at the Hilton Inn near Metro Airport.

Mrs. Gerald Miller, chairman of the Fine Arts Committee, then introduced Mrs. Raymond Kohr who gave a demonstration of decoupage. She explained the procedure, showed the necessary equipment and supplies, passed out information on the art, and displayed several of her completed pictures.

Co-hostesses for the evening, Mrs. Chauncey Schweigert and Mrs. Merrill Bird, were assisted by Mrs. A. Charles Patterson.

### Macrame's not new

Some of the most popular fashion trends in this country are "borrowed" finery. For example, macrame (the knotting rage) was not recently discovered by American artisans. In the 18th century, Arab weavers called it "migramah" which means ornamental braid. In 1698, Queen Mary of England introduced it into palace circles. The craft might have disappeared if not for seamen who needed diversion on long voyages. The Incas and American Indians developed their own versions of macrame.

## For and about Suburban Women

### Ruth Davis is BPW's president for '72-'73

The Belleville BPW Club's April 10 meeting was in charge of the Personal Development Committee and highlighted election of officers and planning of coming events. In the absence of a

planned program, several members attended a Spring Fashion Show, sponsored by the Ann Arbor Club at Weber's Inn, Ann Arbor, on Tuesday evening.

The following officers were elected for the 1972-73 club year: president, Ruth Davis; vice president, Ruth Lindsay; recording secretary, Ruth Baehr; treasurer, Mary Ferrett; and corresponding secretary, Helen Curry. The newly-elected officers will be installed at the May meeting.

Co-chairmen Olive Domen and Lulu Rose announced plans for the Spring Rummage Sale to be held April 22 at the Masonic Temple in Belleville.

Delegates appointed to the 54th BPW State Convention in Grand Rapids on May 5, 6 and 7 will be the newly-elected officers. Ruth Davis was chosen club delegate to the National Convention in Atlantic City, N.J., July 22-27. Nine club members were in attendance at the District TV spring meeting held at the Presidential Inn at Southgate April 4. Helen White was re-elected secretary of District TV.

Vira Petraska and her committee are formulating plans for the club's 25th anniversary celebration in September.

### WOMEN Of The MOOSE

BY GERALDINE MILLS

Belleville Chapter 1135: The nominating committee is to meet at Helen Jacob's Thursday, April 20. All names are to be in before that date.

The Women of the Moose wish to congratulate the new officers in the Loyal Order: Governor, George Manley; Jr. Governor, Clyde Bower; Prelate, Raymond Little; Treasurer, Richard Davis; 3 yr. Trustee, William Porter.

We have another new item on the menu for the Friday fish fries and that is hamburger. We tried them last week and were they ever successful!

Our deepest sympathy to co-worker Helen Jacobs who recently lost her brother.

## Delightful partners for salad or dessert

### Party Pear and Pistachio Dessert

2 packages (3 oz. each) Jell-O Lemon or Lime Gelatin  
2 cups boiling water  
1 1/2 cups cold water  
4 teaspoons vinegar  
2 fresh pears, diced (about 2 cups)  
1/4 cup coarsely chopped pistachio nuts  
1/4 cup sour cream  
Or use 2 cans (8 oz. each) pears, drained and diced.

Dissolve gelatin in boiling water. Add cold water and vinegar; chill until slightly thickened. Add pears and nuts to 3 cups of the gelatin mixture and set aside. Place remaining gelatin in a bowl over larger bowl of ice and water and beat with a rotary beater until fluffy and thick. Beat sour cream into whipped gelatin. Pour into a 1 1/2-quart mold and chill until firm - about 15 minutes. Then spoon fruit - nut mixture over top; chill until firm - 4 to 5 hours or overnight. Unmold. Makes 5 1/2 cups or 8 servings.

Nearly nine cents out of every dollar spent for farm-produced foods goes to pay for packaging costs. Of the consumer's \$101.6 billion bill for these foods, a whopping \$8.8 billion was spent for containers and packaging materials needed to get them from farm to table. Paper products topped the list, accounting for 42 percent of packaging costs. Metal containers accounted for 22 percent; glass, 9 percent plastic; wood, textiles and miscellaneous, 18 percent.

### REBIRTH

I gazed upon an April mound  
Where little fissures in the earth  
Told me I had surely found  
Where seeds are giving birth.

Soon, tiny shoots of palest green  
Looked out, at me, forlorn.  
And in their midst a lovely sheen  
Told me a flower was born.

Thus, God in all His glory  
From His throne above,  
Repeats the old, old story  
Of His eternal love.

## Money course offered

A course in money management, concerned with helping moderate income families develop more control over their financial future by better understanding investments, taxes, real estate and the economic outlook, is being offered at the Huron Senior High School in New Boston.

The course runs for six weeks at a cost of \$6. The classes begin tomorrow (Thursday) and will be conducted from 7:30 to 9:30 p.m. Class instructor is Michael Funke.

## STATE OF MICHIGAN STATE BOUNDARY COMMISSION

STATE BOUNDARY COMMISSION TO CONDUCT PUBLIC HEARING ON THE PROPOSED ANNEXATION (DOCKET NUMBER 71-AP-26) OF CERTAIN TERRITORY IN VAN BUREN TOWNSHIP TO THE CITY OF BELLEVILLE, MAY 2, 1972

8:00 p.m., Auditorium, Belleville High School, 555 W. Columbia Rd., Belleville

To comply with section 8 of Act 191 of the Public Acts of 1968, being section 123.1008 of the Compiled Laws of 1948 and section 9 (2) of Act 219 of the Public Acts of 1970, being section 117.9 (2) of the Compiled Laws of 1948, the State Boundary Commission will hold a public hearing on the proposed annexation of certain territory (copies of the map and legal description can be obtained by writing the Boundary Commission) situated in Van Buren Township, Wayne County, to the City of Belleville, and will receive information and testimony on the following:

1. Population;
2. Population density;
3. Land area;
4. Land uses;
5. Assessed valuation;
6. Topography;
7. Natural boundaries and drainage basins;
8. Past and probable future urban growth including population increase and business, commercial and industrial development in the area;
9. Comparative data for the annexing municipality and the remaining portion of the unit from which the area will be detached shall be considered;
10. Need for organized community services;
11. Present cost and adequacy of governmental services in the area to be annexed;
12. The probable future needs for services;
13. Practicability of supplying such services in the area to be annexed;
14. Probable effect of the proposed annexation and of alternative courses of action on the cost and adequacy of services in the area to be annexed and on the remaining portion of the unit from which the area will be detached;
15. Probable increase in taxes in the area to be annexed in relation to the benefits expected to accrue from annexation;
16. Financial ability of the annexing municipality to maintain urban type services in the area;
17. General effect upon the entire community of the proposed action;
18. Relationship of the proposed action to any established city, village, township, county or regional land use plan.

The Boundary Commission will not reach any conclusions or make any determinations until after the May 2, 1972, public hearing. The Commission has several options. They can deny the petition, approve it as submitted or approve it with boundary adjustments.

HELP CENTER DONATION — The fourth grade class at Merriman Elementary School in Romulus made a contribution last week to the Romulus Help Center. Earl Lamb (right) director of the center, accepted the \$10 cash contribution from students, Mark Sullivan and Katrina Bohl. Their teacher, Mrs. Mabel Stevenson, looks on.

## Cadette Troop takes trip to Niagara Falls

Members of the Cadette Troop 419 of Belleville spent four days of their spring vacation visiting Niagara Falls, N.Y.

The Girl Scouts who made the trip were Kathy Salutz, Denise Patterson, Sue Hicks, Mary Thompson, Cindy Wilkerson and Gayle Simons. They left at 6 a.m. last

Tuesday morning and returned at 7 p.m. Friday.

Mrs. John Thompson, Cadette leader, and Mrs. Frank Reinhackel, assistant leader, drove their cars for the trip. Mrs. Ray VanSickle and Mrs. Lee Stokes were relief drivers.

In September, when the Girl Scouts were making their annual plans, it was

discovered that most of the girls had not been to Niagara Falls. Although the girls have done a great deal of camping, some of them had stayed in a motel.

As a result, the girls planned and carried out a bake sale, a rummage sale, sold Girl Scout calendars and had a Christmas sale of wreaths and center pieces to finance their trip.

The trip included a visit to a Girl Scout Guide Troop, or company as they are called from Niagara Falls, the girls also toured several tourist attractions around the "falls" and even though an unexpected snowfall deposited nearly four inches of snow on the ground, the girls agreed the trip was worth the effort.

The troop has three campsouts planned before the end of June. One campout will be in cabins at Burns Lake, another is a patrol encampments at the Huron Valley Girl Scout Camp and the last one will be as part of the Southern Wayne Association Encampment also being held at Camp Linden. The Cadette Troop 419 meets every Thursday at 7 p.m. at the North Junior High School.

## Tax reform is topic of meeting

Advocating a "sweeping reform of the present antiquated property tax system," State Rep. Roy Smith (D-Ypsilanti) held a series of meetings in the Ypsilanti area last Saturday to explain and distribute petitions for property tax reform.

One of the meetings was conducted at the Ecorse Road Fire Hall. "I feel the true answer to the property tax reform petition drive can be found in the MEA (Michigan Education Association), drive," Smith said. Their petitions will separate a repeal of the property tax from the question of a graduated income tax. These two questions on the ballot would give the people of Michigan a way to show how they feel on each separate issue.

## Church group offers course

A cake decorating course, under the sponsorship of the Christian Services, has been initiated at St. Aloysius Catholic Church of Romulus. The class is being conducted

## Jaycees want names

The Romulus Jaycees are seeking the names of people who are either unable to walk, confined to bed or slow in getting around.

The Jaycees are offering stickers for their front windows denoting that an immobile person lives there. In case of fire or other emergency, rescuers would know that somewhere inside the home or building needs help in getting out.

The Jaycees reported they cannot go to just one or two organizations to get the names. They said they desire that people send their names to the Romulus Jaycees or to Charles Dick Jr. of 34449 California St., Romulus, project chairman.

The persons can call 941-1924 or contact any Jaycee for a sticker.

## Job applicants needed

Communities United For Action (CUFA), the newly reorganized Community Action Agency for Wayne County, has announced the following positions in a new family planning program to be initiated in several Wayne County communities.

The positions call for a registered nurse with previous experience in family planning and with low-income disadvantaged persons, community health aides to contact target area residents and staff a mobile unit, and a driver to operate large mobile health unit and provide first line maintenance and care.

Applicants are requested to write, giving work experience, education and three references, to Community United For Action, 7310 Woodward Ave., Room 10, Detroit.

## Vikings of month selected

Students attending North Junior High School in Belleville have elected their "Vikings" for April.

These young people exhibit the highest qualities of citizenship and leadership.

The seventh grade winners are Elizabeth Cauley and Keith Young. The eighth grade choices are Lorre Dunn and Tom Bauer, and the ninth grade representatives are Cynthia Johnson and Joel DeTar.

## Debators earn honors

Eight students from Romulus and Belleville High Schools have been awarded certificates of merit for distinguishing themselves as outstanding debaters.

Winning the awards from Romulus High were Doug Vaught, Robanne Majeja, Pam Payne and Betty Hovever. Receiving awards from Belleville Senior High were Phil Martin, Scott Silvenis, Brad Rockwell and Dan McClure.

The topic debated was: "Resolved: That the jury system in the United States should be significantly changed."

## HURON TOWNSHIP NOTICE

HURON TOWNSHIP is looking for a qualified person for full time POLICE ADMINISTRATION. Please submit resume to HURON TOWNSHIP CLERK, at 37290 Huron River Drive, New Boston, Michigan 48164.

**NEW VINYL WALLCOVERING--**  
"Promenade," a parade of decorative wood turnings on a wood-grain ground, alternates with its wood grain coordinate and fake wood beams to make a dramatic backdrop for the imaginative eclectic or Early American buff.

Other popular treatments include using it just above or below wainscot height or running it horizontally -- a couple of good room lengthening devices. "Promenade" is from the "Fashion Originals" collection by General Tire and also comes in two wet look versions.

## New wallcoverings provide spring tonic

Birds do it. Bees do it. Even apartment house dwellers do it. Come springtime they all get that familiar and age-old desire. The urge to build a nest...have a hive cleaning party...or redecorate winter weary rooms.

And if you really want to take a hint from the birds and bees, you'll begin your spring spruce up as they do...with the walls. Considering they make up two-thirds of a room's surroundings, their care is the surest and swiftest way to bring a room to life.

Today's biggest selling wall waker-upper is vinyl wall-covering. Collections such as the "Fashion" series from General Tire offer every conceivable kind of design and have the double advantage of being reasonably priced and removable so you don't have to make a long-term commitment to your walls if you don't care to.

You can feel free in selecting the wall patterns you want for now...and yet can feel free from worry about scuffing or staining if you wish to leave them up for many, many years.

When you decide to make a change, quality fabric-backed vinyls such as General Tire's are a snap to remove if they were put up properly in the first place. The fabric-backing also makes them easier to hang without tearing or stretching.

Vinyls provide the freedom of new-think and new-daring. A rather tired traditional spare room can be made to wake up and sing with the

unexpected...such as a young-looking, poster-bright and fanciful floral pattern called "Floradora". Or, a tasteful but lusterless contemporary living room can be enlivened with foil-bright "Illuminations", a modern geometric available in a choice of metallic colors.

If you are feeling formal, you may favor some of the luxurious flocked designs on richly mottled foil backgrounds. Many, such as the "Casanova" damask pattern, have coordinated flopped stripes and matching foils. Combining them creatively is a major sign of decorating ingenuity. And don't worry about their upkeep. They are washable.

For the imaginative eclectic and ecologically oriented, "Promenade" from General Tire's "Fashion Originals" collection provides a decorating challenge. This crisp parade of wood turnings on a light wood-grain ground can be made to march vertically or horizontally...and is a natural mix for dark-stained wood beams, brick or ceramic tile floors and simulated striped zebra skin rug.

To create a garden feeling indoors that will last throughout the year, there are endless varieties of florals which stay fresh forever with vinyl. There's nothing quite so discouraging as putting up a bright floral pattern in the spring and have it faded by fall. But not so with scrubbable and fade-resistant vinyl wallcoverings.

There are floral patterns as

varied as Mother Nature's own product. They range in size and style from precisely arranged bouquets to free-form floating effects. Colors are in close harmony or bold contrast. Some are "antiqued" to enhance traditional rooms and some are blatantly bold to support modern schemes.

Choose colors you like to live with, but don't be afraid to experiment a little. If it's a first try at using bold colors or a large scale pattern, you may feel more comfortable using a coordinated solid-color texture on one or two of the walls. You may even want to try mixing a color coordinated stripe with a floral.

If you've decided what you want for the four walls, you're really not through until you've considered the ceiling. This surface is too often neglected or just relegated to white...to the detriment of the entire scheme. Double the impact of your decorating by giving the ceiling the same treatment as the walls. Consider covering it with the same pattern used on the walls, whether a stripe, floral or geometric. Or if you feel timid, try a color-matched texture. But do try something...and watch your home blossom with spring.

# IMPROVE YOUR HOME

Could mean big difference

## Prepare home for painting

Two houses alongside each other need exterior painting. Both are in the same stages of disrepair. They are painted at the same time by two persons using the same kind of paint.

Six months later, one house still appears sparklingly fresh. The other has begun to develop cracks and wrinkles and seems not to have been painted for several years.

Why the difference? Because one person was more skillful in applying the paint? Not likely. The more probable reason is that one of the painters spent hours, perhaps days, preparing the surface to accept the new paint; the other didn't want to be bothered and figured it wouldn't matter too much anyway, since the new paint would cover whatever defects there were.

Unless loose and scaling paint are removed--by scraping, wire brushing or steel wooling, followed by sanding wherever necessary--the new paint film will be disturbed within a short time by the movement of the material underneath it. But, while this is the basic surface preparation, there are other necessary steps to insure a good result. Some of them are:

**Mold and mildew--**Should be washed off with a cleaner or bleach containing trisodium phosphate. Eliminate source of dampness. In severe cases, use a paint containing mildewicide.

**Caulking--**Remove and replace caulking around doors, windows, utility inlets, exhaust pipes, butt joints and wherever there is even a tiny gap that might admit rain.

**Nails--**Replace loose nails

or countersink them and fill the holes with putty.

**Masonry--**Fill all cracks in masonry with patching cement or caulking compound. If painting masonry, use an exterior latex masonry paint.

**Clapboard siding--**Apply a generous coat of paint along the bottom edges. Skipping the edges or not applying enough paint to them permits moisture to move up under the paint film.

**Trim--**A trim paint with a gloss or semi-gloss appearance is especially resistant to the weather, but regular house paint is satisfactory if you wish a duller finish.

**Peeling--**Most paint peeling is caused by moisture getting under the paint and pushing it outwards. If this has been a chronic condition over the years, find the cause of it. It could be lack of vapor barriers inside or roof or wall leaks.

**Knots--**Resin spots and knots should be coated with one of the several knot sealers now available. This is vital when painting new wood.

**Quality of Paint--**You may be putting in several hundred dollars worth of labor in painting your house. Isn't it poor economy to use a poor quality paint because it costs a few dollars less?

(Removing mildew, repairing brickwork and patching concrete are among the 35 problems discussed in Andy Lang's handbook, "Practical Home Repairs," available by sending \$1 to this newspaper in care of Box 5, Teaneck, N.J. 07666.)

### On home improvements

## Here's the answer

**Q--**I soon will be finishing our basement with prefinished plywood. The walls are of poured concrete. We have two radiators in the basement that keep the place warm when necessary. We have never had even the suggestion of a leak in the basement but sometimes get a little condensation on the walls when the heat is turned on. What can be put under the plywood to prevent this? I am attaching studs to the concrete and putting plywood sheets over the studs.

**A--**There are several ways to do this. One involves the use of insulation with a vapor barrier, but you may get by with the installation of polyethylene plastic sheets over the studs before attaching the plywood. This will keep warm, moist air from reaching the cool basement walls--provided there are no openings in the plywood installation that will permit the air to reach the concrete. If this can not be accomplished (because of the location of the radiators, for instance), you will have to

install insulation. If the insulation has a vapor barrier and you attach it according to the manufacturer's instructions, you won't need the polyethylene sheets.

**Q--**Every time I put caulking material around the upper rim of the bathtub where it meets the wall, it dries out and crumbles within a few months. It's a headache because water then gets behind the tub and falls to the floor when the overhead shower is turned on. Can you tell me what I am doing wrong?

**A--**You probably aren't using the right kind of bathtub caulking. Several types now on the market, including those made with silicone rubber, won't dry out.

**Q--**I have been told that there is a special kind of paint that can be applied to a wet surface. I intend to paint the outside of my house soon and like to start early in the morning when everything is still wet. Can you tell me what kind of paint to use? It's a wood house.

## Home design book printed

Publication of a new 96-page book containing 114 popular home designs is announced by Home Planners, Inc., Detroit. ## Cabinet aids chef

Barbecuing can be more fun and less work if the home chef has a place to keep all his gear and supplies, and doesn't have to search for one thing or another each time.

One handy way to assure this is a storage cabinet of western wood, hung on the side of the house or garage. The cabinet is a simple box of 1x12-inch Douglas fir, pine or western cedar, about four feet wide by three feet tall.

With a shelf or two, it should hold all necessary items and a supply of charcoal. An outlet can be placed inside the cabinet for an electric starter or rotisserie motor.

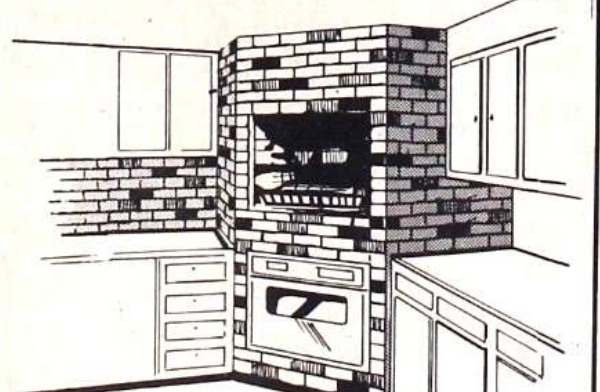

A hibachi stored in the cabinet slides out onto the lower half of the cabinet door, which folds down as a counter. A larger barbecue, stored nearby, can be rolled up to the cabinet.

# Faust proposes bill to regulate collectors

LANSING — Legislation to license and regulate collection agencies and prohibit certain collection practices was introduced in the Michigan Senate recently by Sen. William Faust, (D-Westland).

The Faust measure would also create a collection practices advisory board and authorize the attorney general to enforce the act.

“Protective consumer legislation of this nature,” said Faust, “has been needed in Michigan for a long time. There is no law in the state that controls the activities of collection agencies and no one knows how many of these agencies exist.”

“Some of the unscrupulous tactics used by collectors falls just short of extortion — even though the roughshod methods of yesterday have given way to today’s more sophisticated approach.”

“The establishment of state regulations governing collection agencies is essential if we are to protect individual rights and eliminate the harassment and public abuse that some of these firms have been known to use.”

The Faust proposed “Collection Practices Act” would:

- Authorize the Department of Licensing and Regulation to license all firms and determine their fitness to operate. The department would be empowered to conduct investigations, subpoena witnesses, issue cease and desist orders, seek injunctions and voluntary assurances of discontinuance to obtain compliance.
- Permit the consumer to sue any person engaging in a prohibited practice and allow the consumer to recover any amount paid to a collection agency when prohibited practice is used.
- Prohibit the use of deceptive, misleading and coercive tactics used to compel people to pay debts.
- Impose a criminal penalty on anyone operating a collection agency without a license.

The bill would also create an advisory board within the Department of Licensing and Regulation that would oversee the entire program. The board would consist of five members appointed by the Governor.

Sen. Faust said that this legislation has the backing of various consumer agencies in the state and other independent consumer groups.

# Methodist youth group visits Kentucky mission

Several young folks from the Romulus and New Boston United Methodist Churches had the opportunity to learn first hand what the church is doing in the field of missions.

On the weekend of April 7-8 the youth group traveled via two station wagons to the Redbird Mission in southern Kentucky, accompanied by their pastor, the Rev. Hal Ferris, his small son, Blair, and Mr. and Mrs. Gary Johnson of Romulus.

Representing the local youth groups were Alan Rafalski, Robert Darnell, Don Makowski, Cindy Hughey, Paula Taylor, LeAnne Silvey and Debbie Wahrman.

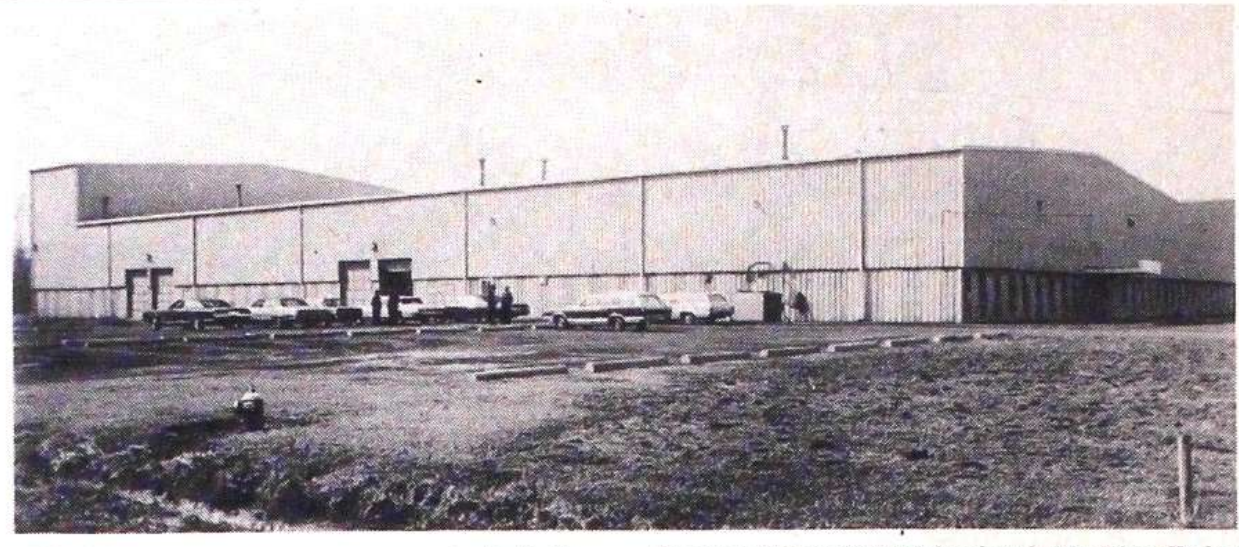

Enroute the group enjoyed a bit of sightseeing, especially in the Cumberland Gap area.

# Alcohol class popular

Transactional analysis classes held each Tuesday at 7:30 p.m. in Room 208 at the Romulus Senior High School on Wayne Road have attracted a standing-room-only group of students.

Approximately 50 people have attended each session of the classes which are taught by Frank MacDonell, chief alcoholism therapist from Annapolis Hospital in Wayne.

Sponsored by the Romulus Drug Use and Abuse Council, the classes are offered without charge and have attracted students from Romulus, Belleville, Dearborn, Dearborn Heights and Inkster.

**FUTURE ICE RINK**— The former plant of the Welding Tri-Dex Corp., a division of Bell-Howell, located at 8820 Inkster Rd. Romulus, will soon house indoor ice skating rinks. The conversion project is being done by the Minor Hockey Arenas Inc., of 33712 Pawnee, Westland. The estimated cost of the alterations was reported to be \$35,000.

# Decreasing birth rate reported at PCHA units

The decreasing birth rate both in Michigan and across the country is reflected in birth statistics for the past two years in the four hospitals operated by the Peoples Community Hospital Authority (PCHA).

With the exception of Seaway Hospital in Trenton, the three other PCHA hospital units reported substantial drops in births. The largest decrease came at Outer Drive Hospital in Lincoln Park, with 1,823 births recorded in 1970 as against 1,715 in 1971.

Births at Annapolis Hospital in Wayne were down from 1,676 in 1970 to 1,637 in '71.

Beyer Memorial reported a decline from 1,321 in '70 to 1,295 this past year. Only at Seaway was the trend reversed with births rising from 923 in 1970 to 974 in '71.

This situation is causing a reduction in the number of bassinets in many of the nation's hospital maternity departments with some hospitals closing these departments entirely, according to the Hospital Information Center (HIC) of the Michigan Hospital Association.

In Michigan, however, reduction of bassinets has been less dramatic because of long range consolidations of maternity departments. According to Edwin S. Marsh, HIC director, bassinets in Michigan reached a peak of 4,200 in 1967 and declined to approximately 3,800 in 1969 and 1970.

Marsh said this represents a leveling off of bassinets, of which only a small decline from the 1970 figure is anticipated when final statistics are available.

Preliminary figures from the Center for Health Statistics of the Michigan Department of Public Health for 1971 births reveal that in that year there were some 160,892 births in Michigan compared with 170,545 births in 1970.

A Health Department spokesman termed the nearly 10,000 (or 5.7 per cent) reduction in Michigan births "significant" and said it amounts to the reversal of an upward trend beginning in 1969, when there were approximately 165,000 births, compared with 159,000 the previous year.

# ASCS reveals statistics

Enrollment in the 1972 Feed Grain and Wheat Program surpassed the record enrollment in last year's program, Nick Smith, chairman of the Michigan State Agricultural Stabilization and Conservation Committee, announced.

In Michigan, more than 62,000 farms are signed up in the wheat program and almost 65,000 in the feed grain program. Although the number of farms enrolled is slightly less than last year's record, the wheat allotment on enrolled farms is only 3 per cent less than 1971 and the total feed grain base is slightly larger than 1971.

The decline in the number of farms enrolled could be contributed to the fact that some farms lost their eligibility and can no longer qualify for program benefits, Smith explained. Also, the total number of farms is declining because of the combination of smaller farms into larger farming units.

Nationally, a new record signup was set in the 1972 Feed Grain Program. The number of farms enrolled exceeds 1.7 million, which is 5,000 more than those enrolled in 1971.

The record feed grain base on signed farms totals more than 107 million acres and is 14 per cent larger than the previous record of 94 million acres set in 1969.

With this base acreage on participating farms, feed grain crop production potential in 1972 should remain within bounds and a reduction in carryover may be achieved.

The set-aside acreage offered exceeds 37 million acres, the largest acreage offered except for the record 39.5 million set in 1970. All voluntary additional set-aside acreage offered by producers will be accepted.

Farmers are now being notified of their total program set-aside requirements, Smith said.

Farms enrolled in the wheat program are less than last year, however, they have almost 100,000 more allotment acres. The allotment on enrolled farms represents 93 per cent of the total national domestic allotment.

In closing, Smith stated that farmers must certify compliance with program requirements no later than June 30. Preliminary payments will be made as soon as possible after July 1.

# Author-minister speaks in Ann Arbor this weekend

Dave Wilkerson, the famed author of "The Cross and the Switchblade," and known around the world as the "Gang Preacher," will speak in Ann Arbor at Crisler Arena at 7:30 p.m. on April 22 and 3 p.m. on April 23.

Wilkerson is widely known for his successful work among drug addicts and gang members in New York ghettos. His book, "The Cross and the Switchblade," written about his work, has sold more than five million copies.

Dave Wilkerson is the founder of New York Teen Challenge, one of America's most successful drug addiction rehabilitation programs. Teen Challenge claims an amazing 74 per cent cure rate among heroin users who have completed its program.

Teen Challenge has its headquarters in a once prosperous section of Brooklyn. At present there are five buildings in use, including a spiritual therapy clinic for narcotic addicts, a center for girls and a staff apartment house. In the winter of 1962, a religious vocational school to rehabilitate narcotic addicts was established on a Pennsylvania farm with a capacity for 100 boys.

Wilkerson is now challenging suburban youth with his message. He travels extensively in America conducting city-wide youth crusades. This is a preventative type program of birth control and liberalized abortion laws (the most liberal of which is in the state of New York), while others believe the decline is related to the prevalent economic conditions.

Most health officials agree that the decline is due to the effects of family planning programs, a change in the attitude of women entering the child-bearing age group, and to economic conditions.

The Crusade in Ann Arbor is being sponsored by Huron Valley Youth for Christ in cooperation with area churches.

### A THOUGHT TO REMEMBER

BY HAROLD REDISKE, DIRECTOR

Did you ever read the poem written by Ella Wheeler Wilcox in the early 1900's - entitled, "Which Are You?"

"There are two kinds of people on earth today; just two kinds of people, no more, I say... Not the sinner and saint, for it's well understood - the good are half bad, and the bad are half good... Not the rich and the poor, for to rate a man's wealth - you must first know the state of his conscience and health... Not the humble and proud, for in life's little span - who puts on vain airs, is not counted a man... Not the happy and sad, for the swift flying years - bring each man his laughter and each man his tears. No; the two kinds of people on earth, I mean - are the people who lift, and the people who lean... Wherever you go, you will find the earth's masses - are always divided in just these two classes... And, oddly enough, you will find too, I ween - there's only one lifter to twenty who lean... In which class are you? Are you easing the load - of overtaxed lifters, who toil down the road? ... Or are you a leaner, who lets others share - your portion of labor, worry and care?

Don't you agree the thought is just as true today as it was more than half a century ago?...

## Help Center has voter drive

A new voter registration drive that will enable 18-year-olds to vote in the upcoming elections is being conducted at the Romulus Help Center.

Phil Wilhide, a deputy registrar, will be on duty at the center, located at 35085 Goddard Rd., Romulus, to accept registrations between noon and 3 p.m. daily Monday through Friday.

According to Wilhide, registrations began on

Saturday, April 8 and 12 new voters were registered during the first six hours of the drive.

Wilhide says the youth vote can be an important factor in coming elections. "Not only are we interested in national political attitudes, but we have a city election coming in a year. Some of our councilmen have been extremely farsighted and sensitive to the needs of youth and this is one way we can show our appreciation."

## Farm employment laws govern ages

In recent months some farm magazines have carried articles reminding farmers about the law prohibiting employment of youths under 16 years of age for certain jobs.

Potential penalties which might be incurred if such youths are employed in jobs classified as hazardous range as high as a \$10,000 fine for the first offense.

However, 14 and 15-year-olds can be hired to operate tractors and certain machinery if they have successfully completed the 4-

H Tractor and Machinery Operation programs that qualify them for exemptions.

Meeting the requirements of these programs entitles 14- and 15-year-olds to obtain a Cooperative Extension Service "certificate of training," making the holder eligible for employment as a tractor operator.

If he also completes the machinery program, he can be employed to operate the machinery listed under "general machinery."

Consult the Extension Office in Wayne for further details.

## South Junior High swimmers earn awards

Special awards were presented to the swimmers at South Junior High School in Belleville this year.

The awards were presented by Swimming Coach Foster Eid.

In the eighth grade, awards were given to Randy St. John for the best first-year swimmer; Tony Zdun, for the

most improved swimmer and Farley Parsons for the swimmer of the year.

In the ninth grade, the awards were presented to Ray Liebler for the most valuable swimmer; Gil Thom and Brian Colwell for the best first-year swimmers; and Larry Bell and David Barber for the most improved swimmers.

## Student teachers finish assignments

Western Michigan University students who plan to become classroom teachers will complete their directed teaching assignments in schools throughout the state this month.

## Airport permit issued

A building permit approving the construction of \$400,000 in improvements at the control tower at the Detroit-Metropolitan Airport in Romulus has been approved by the Romulus Building Department. The improvements will consist of alterations.

The permit was requested by the DeMare Brothers Construction Co. Inc., of 6345 Lyndon St., Detroit. The building permit fee amounted to \$1,766.

# Kite design contest deadline nears

This year's Safe Kite Flying Poster Contest sponsored by the Detroit Edison Co. is entering its final stages with some of the most competitive designs in the six-year history of the program.

The contest, which ends April 21, is designed to make children aware of some of the dangers involved in kite flying. It is open to all school children from kindergarten to ninth grade, and offers prizes of Edison stock and appropriate trophies in four categories.

The categories include kindergarten through second grade, third and fourth grade, fifth and sixth grade, and seventh through ninth grade. First, second and third prizes are awarded in all three categories.

Posters should be original, and must be drawn, painted or pasted to 8½ by 11 inch pages and submitted, with full

personal identification on the reverse side, to any Edison customer business office, or mailed to Safety Services at the company's headquarters prior to the closing date.

More than 25,000 contest announcements and an equal number of safe-kite-flying discussion guides have been distributed throughout the 7,600-square-mile service area of the company.

The discussion guide subtly gives hints to the youngsters on the subject matter which may be depicted on their posters by listing a series of suggestions for both safe kite making and safe kite flying.

Included in the series of warnings are:

-Nails and pins left exposed on kites may cause injury to arms and hands.

-Selection of good, level, open space is important to kite flying.

-Roof tops and other elevated structures are unsafe unless protected by an enclosure.

-Streets, highways, railroad rights-of-ways and other areas used by moving vehicles must be avoided.

-Kite string made of wire or cord containing metal thread can cause shock if it should contact electrical equipment or wires.

-Lightning is electricity, and wet string is a good conductor; rainy weather is no time for kite flying (Ben Franklin is lucky that he didn't get electrocuted during his experiment with the kite).

## Board chairmen notified

All boards and commissions in the City of Romulus have been notified to have a representative, preferably the chairman, at council meetings when their board or commission is scheduled to make a report.

City Clerk Leonard J. Folmar was instructed by the council to detail the council's request in a communication to the boards and commissions.

The council's action followed the non-appearance last week of the Board of Appeals, which was scheduled to make its quarterly report.

## Police car bids received

Five bids received by the Van Buren Township Board of Trustees on the purchase of a new police car have been referred to Police Chief John R. Willet and Police Commissioner Dominick W. Blend with instructions to accept the lowest bids meeting specifications.

The bids and amounts were submitted by Colony Chrysler in Plymouth, \$3,828.94; Sesi Lincoln-Mercury in Ypsilanti, \$4,698; Bill Lepper Inc. in Lincoln Park, \$3,699.40; and Atchinson Ford Sales in Belleville, \$3,923.61.

## Kiwanis sale nets \$611

The proceeds from the annual easter flower sale sponsored by the Belleville Kiwanis Club amounted to \$611, William Matthews, flower sale chairman, announced.

Approximately 15 plants not sold were donated to the Belleville Convalescent Center, he reported.

The sale proceeds are used toward various projects and programs of the local Kiwanians.

## Professor speaks to Kiwanians

Dr. Frank Donahue, a chemical engineer and a professor at the University of Michigan, was the principal speaker at a recent dinner-meeting of the Belleville Kiwanis Club.

Dr. Donahue spoke on "What you always wanted to know about chemical engineering and were afraid to ask."

His major theme was that in about 150 years the country is going to suffer a power loss and it is up to everyone to do something about it.

He used slides in his lecture.

## NBY will get another branch

The National Bank of Ypsilanti has received approval from the controller of currency in Washington D.C. for the bank's request for a new branch office.

Benjamin P. Koerber, NBY president, has announced plans to establish the new branch office at the intersection of S. Huron River Drive and Whittaker Road, south of I94.

NBY has further growth plans, with additional branch bank applications on file and other office expansion plans already under way.

## Gooding to administer Romulus Total division

A nine-man team has been named by Total Leonard, Inc. to administer its newly organized brand division.

Set up as a marketing arm for the 700-station total gasoline network in Michigan, the Romulus-based division will be headed by William L. Gooding as division general manager.

Gooding, 42, of Southfield, has been associated with Citrin Oil Co., subsidiary of Total Leonard, for the past five years as vice-president of marketing. Previously he had spent 15 years with Standard Oil Co. (Indiana) in various sales positions, including manager of all service station sales in the Michigan area.

Named with Gooding to the brand division was Joseph M. Korman of 25270 Southwood, Southfield. Korman, appointed division operations manager, formerly was maintenance manager for Citrin Oil.

Others are Edward J.annon, 21130 Frazer, Southfield, brand division

WILLIAM L. GOODING

sales promotion-advertising-merchandising manager, formerly vice president for sales, Randall Sign Erecton Inc.; and Andrew J. Frank, of 1740 Kings Hwy., Lincoln Park, division marketing development manager. He formerly served as vice president for operations, Citrin Oil.

Also, Leon Berman, of 14470 LaBelle, Oak Park, marketing

analyst and budget control supervisor, previously sales accountant for Citrin Oil; Richard E. Smith, of 34869 Winslow, Wayne, division pricing manager, former assistant controller for Total Leonard; Murray Peterson, division real estate manager, former planning department assistant at Total Leonard; and William R. Evans, of 1652 Graefield Rd., Birmingham, division training manager, formerly colorcounting manager at Citrin Oil.

Four Michigan districts will be administered from brand division headquarters. Fully

staffed district offices will be maintained in Wayne, Lansing, Alma and Traverse City.

The new brand division will be responsible for directing and coordinating all sales of Total brand petroleum products through jobbers, dealers, agents and subsidiary companies.

## Van Buren meeting slated to discuss advisory votes

Van Buren Township Supervisor G. Elton Witzer will conduct an informational meeting on two advisory vote propositions to be presented to the township voters at the May 12 primary election. The meeting will be held at

7:30 p.m. May 12 in the Belleville Senior High School Auditorium, located 501 W. Columbia Ave., Belleville.

The township voters are being asked to voice their decision on the take-over of Belleville Lake with the

establishment of a Building Authority to own, operate and maintain it and surrounding land, including Edison Pointe Park.

The second advisory vote proposition relates to the proposed \$120 million expansion of the Willow Run Airport into the world's largest air cargo terminal and general aviation airport.

The township is opposing the airport's expansion, initiated by the Wayne County Road Commission, owners and operators of the Detroit Metropolitan Airport in Romulus.

## Anthony's registers pupils

Registration for the 1972-73 year at St. Anthony's School in Belleville will be held on the weekend of May 22-23 after all the fees. School tuition will be \$165 for

the first child and \$15 for each additional child. There will be no book rental fees this year.

The tuition for non-parishioners is \$265 for the first child and \$15 for each additional child.

Our Person-to-Person group has received a lot of calls about loans. Particularly new car loans. People want to know, what's the best bank rate in town? And where can they get it?

Now the answer is Super Loan from Bank of the Commonwealth—with the super low rate. And chances are you'll save enough with Super Loan for a couple of extra options on your new car.

For example, on a \$3,000 auto loan:

Amount Borrowed \$3,000	Finance Charge	36 Monthly Payments	Total Amount Repaid	Annual Percentage Rate
Bank of the Commonwealth	\$404.88	\$94.58	\$3,404.88	8.41%
Bank X	449.88	95.83	3,449.88	9.31%
Bank Y	494.88	97.08	3,494.88	10.20%
Bank Z	539.88	98.33	3,539.88	11.08%

(Comparisons made March 29)

Whether you're going to finance more than \$3,000 or less than that, with Super Loan you'll save money.

Just meet our loan qualifications, including a 25% down payment, and you've got a Super Loan.

Stop by any of our 57 convenient offices and ask the loan officer about Super Loan. The new car loan with the lowest bank rate in Detroit.

And remember, for any questions you may have about money, call Person-to-Person at 965-8800. They're there to help.
